Table Discussion (Continue discussion)

Select one spokesman and a recorder per table

Renovation vs. replacement or a combination of both?

(If a combination, more renovation or more replacement?)

Based on your discussion to the above, what might you propose?

What additional information do you need from the district?

Additional Table Topics

Consider priority one needs that may need to be added.

Why do you think you have made these choices?

How do you think the community will accept consolidation?
