- 3RD ANNUAL BISD ATHLETIC GOLF SCRAMBLE

Wow! I always wonder where the year has gone. This school year has gone by in the blink of an eye. I attribute the fast pace of the year to our coaching staffs, athletic training staffs, and our student athletes. We have experienced more success district-wide this year than ever and it has permeated through all of our athletic programs. We have had several student athletes to make it to state competition this year. We continue to have scholar athletes that succeed in the classroom as well as in the competition arena. We continue to have athletes that have been afforded the opportunity to compete at the collegiate level. We are fortunate to

have coaches, who by their peers, have been selected Coaches of the Year.

The highlight of our year is recognizing Kerry Thompson, High Jumper from Haltom High School, for winning the UIL 5A State Championship.

Now, it is time to unwind, enjoy friends and family, recreate, and rejuvenate for the upcoming school year.

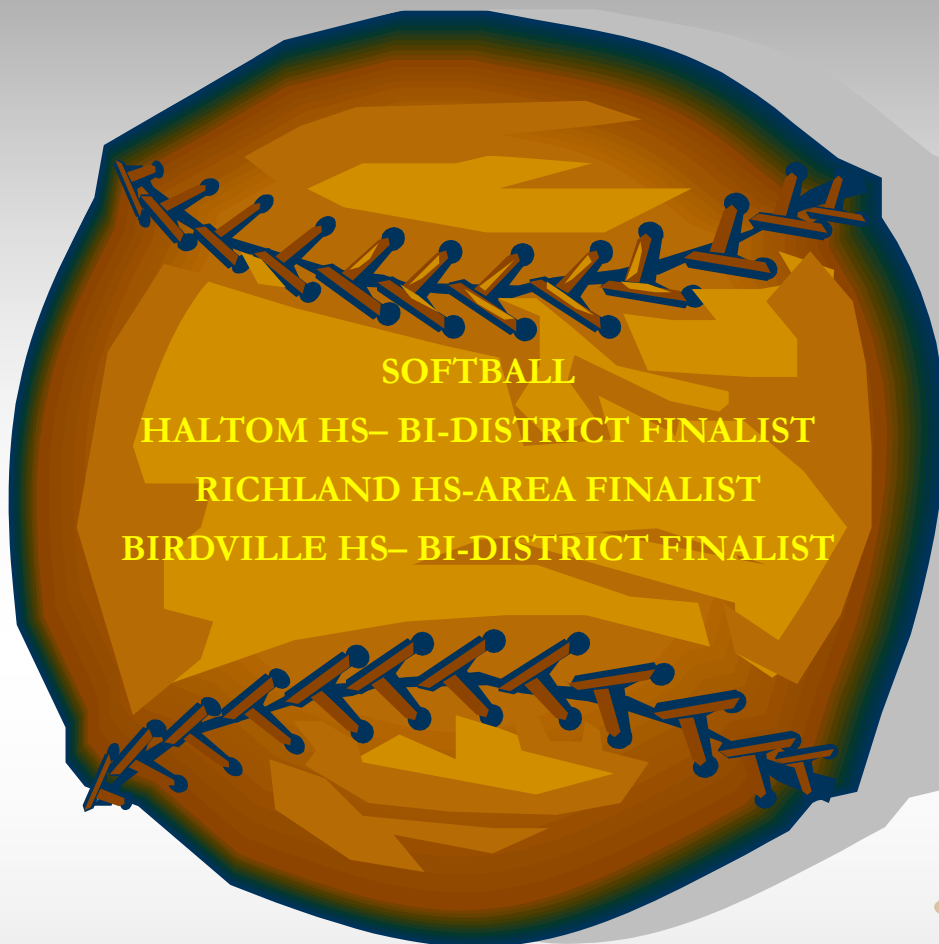

I am thankful to all of our athletic family that contributes to what we do as we embrace our mission, vision, and beliefs of the Birdville Independent School District. I hope everyone has a safe and happy summer and we will see you in the Fall.

**Congratulations to Kerry Thompson, Haltom High School.**
