- Each student must turn in a **completed Athletic Participation Packet**. This will be handed out during athletic periods or can be found in the training room, in the school's front office, on www.birdvillehigh.com under athletics and sports medicine, or on the BISD athletic website. If the packet is not completed it will be returned to the student until it is.

- Each student must **purchase a ticket**. A completed packet is required to purchase a ticket. Tickets are sold by 30 minute time slots and are first come first served (including middle school students). Tickets may only be purchased from the BHS Athletic Trainers. *No refunds* will be given once a ticket is purchased. No tickets will be sold after May 11th. **PLEASE DO NOT LOSE YOUR TICKET!!**

Not getting a physical on campus???..... You still must turn in a completed Athletic Participation Packet and a physical. *Physicals MUST be on the UIL approved form!!* We would prefer these be turned in before summer break but are required before participation in August for any sport in-season, off-season, or class period workouts.
