## OVERVIEW

"Academic Excellence through Athletics"

The Birdville ISD, led by Superintendent Dr. Darrell Brown, believes that athletics is an avenue by which young minds and bodies gain great benefit. Along with that, much emphasis has been placed on engaging and encouraging our student athletes.

The district's secondary schools are members of the University Interscholastic League, the governing body of athletics in Texas. Eligibility requirements for participation must be met as set by the UIL.

Haltom High School and Richland High School compete at the 5A level, while Birdville High School competes at the 4A level. Seven middle schools in BISD participate in the sports of volleyball, football, basketball, cross-country, track, tennis and gymnastics.
