ATHLETIC NEWSLETTER

.....a note from the AD

Our 2011-2012 school year is off to a great start and we would like to celebrate athletics for the Fall. Our athletic program in BISD is more than wins and losses. We strive to help student-athletes grow and develop as lifelong learners. Our athletic staffs foster this goal through community service and visiting the C.O.R.E. values that our district has adopted. We do however, want to congratulate those fall sports that competed well: football, team tennis, cross country and volleyball. We certainly want to congratulate Coach Eddie Brown and his runner, Alex Hita of Birdville High School for competing at the UIL State Cross Country Meet. We also extend our congratulations to the North Richland Middle School 8th grade Volleyball Big 12 Gold Champions. As the cooler temperatures arrive, we are prepared for the winter sports. I want to wish all of our winter sports participants a prosperous season.
