

# Birdville ISD Launches New Mobile App

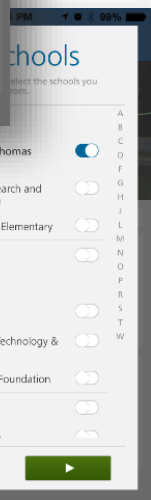

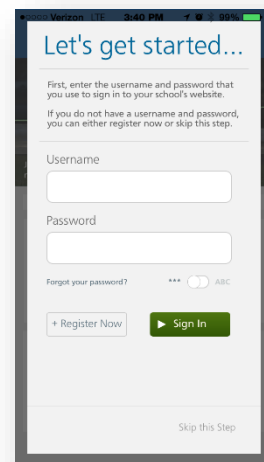

Birdville ISD is excited to announce a brand new mobile app for the BISD community. The app is available for FREE in the iTunes App Store and Google Play. Search for Birdville ISD or Birdville to download. The new app offers complete customization for family and community members. Do you have a child at two different BISD schools? You can sign up to see just those schools' calendars!

The very first time you launch the app on your device, you will be prompted to complete the **Onboarding** process for you to set up and launch the app. You will navigate a series of screens and options to complete the process.
