ASBESTOS

Proposers who perform work inside the Birdville ISD facilities are hereby notified that our buildings may contain asbestos containing materials. This notification is required by both the State of Texas Department of State Health Services and the Federal EPA Asbestos regulations. These guidelines cover both Birdville ISD's responsibilities and the Employer's responsibility to their employees. As a Proposer it is your responsibility to check each building prior to performing any work in that facility. These building materials may include but are not limited to: ceiling tile, floor tile and mastic, sheetrock, tape and bed compound, thermal pipe insulation, spray-on ceiling material, calks, and roofing products. As there have been numerous asbestos containing products manufactured over the years, you must check each building's Asbestos Management Plan. This plan is normally kept in the main office. Check with the school secretary and she will allow you to look at it. It is the Proposer's responsibility to notify all employees working for them that Birdville ISD facilities may contain asbestos and where their employees may find the facility's Asbestos Management Plan. Again, it is the Proposer's responsibility to check the Asbestos Management Plan for each facility prior to working in the facility and then to notify their employees performing the actual work. The information is found in section eight (8) for all asbestos that are remaining in the building. If after looking in the Asbestos Management Plan you are uncertain about whether the area you will be working in contains asbestos or not, please contact the Environmental Department at 817-871-3300 for further assistance.

QUANTITIES

RFCSP's must be submitted on units of quantity specified. Any suggestions as to quantity to secure a better price are welcome. The quantities appearing in this RFCSP are approximate only, and the District reserves the right to increase, decrease or delete any or all items. If the quantities of materials to be furnished are increased, such increase shall be paid for according to the unit prices established for the item. The successful Proposer shall have no claims against the District for anticipated profits for the quantities called for, diminished or deleted. Estimated quantity change of products on bid shall be no more than 25% as is the statutory change order amount in Texas law.

DELIVERY OF GOODS

All items covered by this RFCSP shall be delivered F.O.B Destination to Birdville ISD, from point of assembly to the District location(s) specified on each consolidated order. **RFCSP pricing shall include all freight/delivery charges.** The District shall not be liable for any deliveries of merchandise unless same has been received at the specified delivery location within the Birdville ISD, inspected and accepted as in full compliance with the Specifications. Risk of theft, destruction, loss or damage to any work, materials, shipment, or deliveries will be borne exclusively by the successful Proposer until after the District completes its inspection and acceptance of said work, material, shipments, or deliveries; the burden and cost of insurance against such risks shall be assumed by the successful Proposer.

Deliveries will be made only upon authorization of the Birdville ISD, and shall be made if, as, and when required and ordered by the District, at such intervals as directed by the District. It is important that each supplier understand the following information:

- All purchases made by the District will be made via Birdville ISD consolidated order from the current Child Nutrition software program.
- Do not provide goods/services exceeding the quantities contained on the consolidated order.
- The District will only pay invoices which match the consolidated order description, quantity, and price.

Deliveries shall be to the location identified in each purchase order. Each proof of delivery shall list the exact quantity delivered and back orders if any.

Proposer warrants that all deliveries made under the purchase order will be of the type and quality specified; and the District may reject and/or refuse any delivery that falls below the quality specified in the Specifications. The District shall not be held to have accepted any delivery until after an inspection of same has been made and an opportunity to exercise its right of rejection has been afforded.

Failure by the Proposer to make reasonable delivery as and when requested shall entitle the District to acquire quantities from alternate sources wherever available, with the right to seek reimbursement from the Proposer for amounts, if any, paid by the District over and above the RFCSP price.

All materials delivered shall be free of any and all liens and shall upon acceptance thereof become the property of the District, free and clear of any liens.

Acceptance by the District of any delivery shall not relieve the Proposer of any guarantee or warranty, express or implied, nor shall it be considered an acceptance of material not in accordance with the Specifications and shall not waive the District's right to request replacement of defective material.

DELIVERY TIME/SPECIFIC INSTRUCTIONS

Deliveries will be accepted on Tuesday between 6:30 AM – 2:00 PM except on school holidays. Deliveries to the eleven (11) BISD cafeterias school locations at the kitchen door by 2:00 p.m. If this schedule is not feasible, BISD will consider alternate delivery schedules proposed. SHORTAGES

Vendor shall give 72-hour prior notice to the ordering entity of any anticipated shortages, back orders and/or out-of-stock items prior to delivery. The vendor must keep the ordering entity informed at all times the status of the order. Default in promised delivery, without acceptable reason, authorizes Birdville ISD to purchase goods elsewhere, and charge any increase in cost and handling to the defaulting vendor.

PRODUCT SUBSTITUTION

Any and all substitutions require prior written approval by BISD. If applicable, the product substitution request must be accompanied with CN Label or Nutritional Analysis information, and/or other product information. A minimum of ingredients, product size and yield must be stated. If private label items, please state manufacturer. Birdville ISD reserves the right to require the Vendor to offer possible substitutes if any material or equipment becomes unobtainable during the term of the contract. Outstanding orders are automatically amended by approved substitution. The Vendor must contact the qualified ordering entity 72-hours prior to shipment of approved substitution.

If substitutions are made without approval of BISD, under Uniform Commercial Code, Birdville ISD shall retain the right to remedy and purchase the products(s) from another supplier, charging the difference of the bid price to the Vendor.

FLEXIBILITY FOR POOR PERFORMING PRODUCTS

Any product that is considered by the District to be poor performing or low participation items shall be replaced. Products will be replaced with similar or equal products mutually agreed upon by both parties, e.g.: carrot muffins replaced by blueberry muffins. Replacement products will be priced at the same cost per serving or less. The District will limit product changes to no more than 25% of the items on the proposal annually.

ADDITION OF NEW GOODS AND/OR SERVICES

Birdville ISD may add new goods and/or services throughout the term of this contract. New goods and/or services must have prior written approval from Birdville ISD Purchasing. Only goods and/or services not specified elsewhere in the contract may be considered new. Pricing is subject to the terms and conditions outlined in the procurement solicitation and shall be equivalent to the percentage discount or proposed prices for other similar good and/or services. Vendor may replace or add products to the contract if: the replacing products are equal to or superior to the original products offered or discounted in a similar degree or to a greater degree and the products meet the requirements of the proposal. Goods and/or services may not be added to avoid competitive procurement procedures. The additions of new goods and/or services cannot materially change the contract between Birdville ISD and the Vendor. Birdville ISD may reject any proposed additions, without cause, in its sole discretion.

CATALOG DISCOUNT

BISD is seeking vendor(s) to provide catalog pricing as described below. If there are any categories of items not eligible for the discount, these items shall be disclosed on the bid form. Below is a description of the various types of pricing:

1. **Benchmark Pricing** is a pricing system which uses verifiable prices as a starting point for establishing the final cost of a product. A benchmark price can be established in various ways such as: a manufacturer's catalog; price sheets; company catalog; store catalog; or shelf pricing.
2. **Shelf Pricing** is when a vendor does not offer, or have access to, a catalog or price sheet. For shelf pricing a vendor may bid a discount of shelf pricing or bid shelf price with no discount. Both pricing methods are acceptable to BISD.
3. **Discount Pricing** is for a catalog/price sheet that does not include any vendor mark-ups or discounts. In this instance a percentage mark-up or discount from the catalog/price sheet is bid, and it is the customer's responsibility to calculate the price for each item purchased.
4. **Net Pricing** is a method of prices quoted including any vendor mark-ups or discounts. The price quoted is catalog/price sheet.
 - a. For vendor mark-up pricing the vendor takes the cost and adds a percentage mark-up to formulate customer pricing.
 - b. For vendor discount pricing, the vendor takes retail, wholesale, or contractor pricing and subtracts a percentage amount to formulate customer pricing.

In either case, all mark-ups or discounts are already calculated into the catalog/price sheet, and the vendor shall use his/her catalog/price sheet using a net discount or 0% discount as the basis for the bid.

ADDITION OR DELETION OF LOCATIONS

The District, by written notice at any time during the term of the contract, may add or delete locations as deemed necessary. Any such written notice shall take effect on the date stated in the notice from the District. Any added or deleted items will be reflected in the cost in accordance with the proposal unit price for that location. The District shall determine if any adjustments are needed to the proposed schedule and shall provide any changes in writing to the Contractor.

SUBCONTRACTORS

The Contractor will not subcontract or enter into any subcontracting agreements pertaining to this contract, without obtaining approval from the Purchasing Department. If you are subcontracting any part of this contract, the following must be provided: name(s) of the subcontractor(s), addresses, points of contact and phone numbers.

In no event will any subcontracting by the Contractor relieve the Contractor from any of the obligations or conditions of this contract. As between the parties hereto, any of the Contractor's subcontractors will be considered the agent and employee of the Contractor, and the acts or omission of the subcontractors and any person directly or indirectly acting for them will be deemed to be the acts or omission of the Contractor, and the Contractor will remain liable and responsible to the District as if no subcontract had been made. All submittals required of the Contractor shall also be required of any subcontractors.

CANCELLATION

The District shall not pay for services or supplies that are deemed by BISD to be unsatisfactory. Proposers will be given reasonable opportunity, before termination, to correct any deficiencies; however, this in no way may be construed as negating the basis for cancellation. The District reserves the right to cancel the contract, without cause, upon thirty (30) days' written notice.

BUY AMERICAN PROVISION

School and institutions participating in the NSLP and SBP are required by law to use child nutrition funds, to the maximum extent practicable, to buy domestic commodities or products for meals served under these programs. A “domestic commodity or product” is defined as one that either is produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. The term “substantially” means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically. Therefore, when child nutrition funds are used to acquire foods, schools and institutions must ensure that the items comply with this requirement. Preferences must be explicitly claimed by Vendor and may not be applicable in procurements and/or contracts involving federal funds unless the procurement and/or contract involves unprocessed locally grown or locally raised agricultural products for use by Birdville ISD, in a Child Nutrition Program. See Texas GOV'T Code 2252.001-.004; 2 C.F.R 200.319.
24. **COPYRIGHT** – All contracts paid from State or Federal grants administered by a State or Federal agency must retain copyright for the State and Federal government (if a Federally funded contract) unless otherwise negotiated in writing with the State or Federal agency pursuant to the provisions in 2 CFR 200.315, title to intangible property vents the Birdville ISD, as long as such property is used for authorized purposes. However, the State and Federal awarding agency reserve a royalty-free, non-exclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so. The Vendor agrees to protect Birdville ISD, from any claim involving infringement of patents or copyrights.
25. **PRICE WARRANTY** - The price to be paid by the BISD shall be that contained in Proposer's proposal, which Proposer warrants to be no higher than Proposer's current prices on orders by others for products of the kind and specification covered by this contract for similar quantities under like conditions and methods of purchase. In the event Proposer breaches this warranty, the prices of the items shall be reduced to Proposer's current prices on orders by others, or in the alternative upon School District's option, BISD shall have the right to cancel this contract without liability to Proposer for breach or for Proposer's actual expense.
26. **SILENCE OF SPECIFICATION** - The apparent silence of these specifications as to any detail or to the apparent omission from it of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.
27. **INDEMNIFICATION** – Proposer does hereby agree to waive all claims, release, indemnify and both hold harmless the School District, its officials, agents and employees, in both their public and private capacities, from and against any and all liability, claims, losses, damages, suits, demands or causes of action, including all expenses of litigation and/or settlement, court costs and attorney fees, which may arise by reason of death or injury to persons or loss of, damage to, or loss of use of any property occasioned by any error, omission, or negligent act of the Proposer, its officers, agents, employees, subcontractors, invitees, or other persons for whom the Proposer is legally liable, arising out of or in connection with the performance of this contract, and Proposer will at its own cost and expense defend and protect the School District against any and all such claims and demands.
28. **NON-DISCRIMINATION** - Proposer shall not discriminate against any employee or applicant for employment of Proposer or of the School District because of race, age, color, religion, sex, national origin, ancestry, disability, or place of birth. Proposer shall take action to ensure that all persons are employed and/or treated without regard to their race, age, color, religion, sex, national origin, ancestry, disability, or place of birth. This action shall include, but not be limited to the following: employment, promotion, demotion, transfer, working conditions, recruitment, layoff, termination, rates of pay or other forms of compensation, and training opportunities.

29. **DISABILITY** - In accordance with the provisions of the Americans With Disabilities Act of 1990 (ADA), Proposer warrants that it, and any and all of its subcontractors, will not unlawfully discriminate on the basis of disability in the provision of services to the general public, nor in the availability, terms and/or conditions of employment for applicants for employment with, or employees of Proposer or any of its subcontractors. **Proposer warrants it will fully comply with ADA's provisions and any other applicable federal, state and local laws concerning disability and will defend, indemnify and hold the School District harmless against any claims or allegations asserted by third parties or subcontractors against School District arising out of Proposer's and/or its subcontractor's alleged failure to comply with the above-referenced laws concerning disability discrimination in the performance of this contract.**
30. **DRUG POLICY** - All BISD property and facilities are a “drug-free zone.” No one may use, consume, carry, transport, or exchange tobacco, cigarettes or illegal drugs while in a School District building or while on School District property. The responding company and its employees shall adhere to this policy.
31. **TERMINATION FOR DEFAULT** - BISD reserves the right to terminate the contract without prior notice in the event the Proposer defaults or breaches any of the terms and conditions of this contract, or otherwise fails to perform in accordance with the proposal specifications. In the event of termination the School District reserves the right to complete the work or services in any manner it deems desirable, including engaging the services of other parties therefore and/or awarding the proposal to the next lowest responsible proposer. Any such act by the School District shall not be deemed a waiver of any other right or remedy. If after exercising any such remedy, the cost to the School District of the performance of the balance of the work or services is in excess of that part of the contract sum, which has not therefore been paid to the Proposer hereunder, Proposer shall be liable for and shall reimburse the School District for such excess. Proposers shall, for this purpose, keep their proposals open and prices fixed for a period of 90 days following the award of this proposal.
32. **TERMINATION WITHOUT CAUSE** - BISD shall have the right to terminate the contract, in whole or in part, without cause any time upon thirty (30) days' prior written notice. Upon receipt of a notice of termination, the Proposer shall promptly cease placing orders and all further work pursuant to the Contract, with such exceptions, if any, specified in the notice of termination. BISD shall pay the Proposer, to the extent funds are appropriated or otherwise legally available for such purposes, for all goods delivered and services performed and obligations incurred prior to the date of termination in accordance with the terms hereof.
33. **NO THIRD-PARTY BENEFICIARY** – For purposes of this contract, including its intended operation and effect, the parties to this contract specifically agree and contract that: (1) the agreement only affects matters/disputes between the parties to this contract, and is in no way intended by the parties to benefit or otherwise affect any third person or entity, notwithstanding the fact that such third person or entity may be in a contractual relationship with School District or Proposer or both; and (2) the terms of this contract are not intended to release, either by contract or operation of law, any third person or entity from obligations owing by them to either School District or Proposer.
34. **ENTIRE AGREEMENT** – This contract embodies the complete agreement of the parties hereto, superseding all oral or written previous and contemporary agreements between the parties relating to matters herein and, except as otherwise provided herein, cannot be modified without written agreement of the parties.
