Project Lead the Way

Birdville ISD Awarded Project Lead the Way (PLTW) Certification

Congratulations, Birdville Center of Technology and Advanced Learning, Birdville High School, Haltom High School & Richland High School are now Project Lead The Way (PLTW) Certified Schools. As a result of this certification, PLTW students are now eligible to apply for transcribed college credit for their high school PLTW courses. Project Lead the Way (PLTW), a non-profit organization and the nation's leading provider of science, technology, engineering, and math (STEM) education, offers a rigorous curriculum that allows students to apply what they are learning in math and science class to real-life engineering and technology projects. The primary purposes of the certification program are to recognize schools that have successfully demonstrated a commitment to the quality national standards of the Pathway To Engineering program and to provide an opportunity for students to apply for college credit at PLTW affiliate Universities for selected PLTW courses.
