1. Record the data from the NTES Individual Screening Form for all students with Acanthosis Nigricans (AN). Report to the state on the ANTES reporting site: https://antes.cs.panam.edu/RFES/index.htm.

2. Blood pressure: Both measures should be recorded after 3-5 minutes of rest.

3. Use one data sheet per class if screening in an elementary campus. Use one data sheet per period if screening in a middle/high school.

4. All screening data must be turned in to District Nurse Coordinator for end-of- year reports.

5. Please send original forms only. Copies will not be accepted.
