Birdville ISD 2010-11 Start/End Times

BISD's school start times and end times are changing beginning with the 2010-11 school year. This change will help reduce the number of early morning pickups for many students, provide sufficient time for routes to handle increased traffic congestion, provide the capacity to manage future growth, and improve scheduling and efficiency of field trips.

Under this change, middle school beginning and ending times are adjusted 30 minutes and high school times are adjusted approximately 40 minutes.

This change has a projected cost savings of more than \$200,000 per year.
