HB3190 Compliance Kit

1. ***What does EVACUATION mean?***
To get off the bus as safely and quickly as possible
2. ***What does EMERGENCY mean?***
It's not safe to stay on the bus
3. ***Who decides if emergency evacuation is needed?***
Only the Driver makes that decision
4. ***When might you have to leave the bus?***
Fire; accident; tornado; bus breaks down on a railroad track, too near water or a drop off
5. ***Can you take anything with you when you leave?***
No, leave backpacks and lunchboxes
6. ***Where do you leave your things?***
Under the seat, so no one trips
7. ***Where are the possible emergency exits you could use?***
Front door, rear door, special windows, escape hatch in roof
8. ***Who opens these exits?***
Driver or assistants
9. ***If you have to leave through the rear emergency exit, do you jump out?***
No, sit first
10. ***After you leave the bus, do you stand close to it for safety?***
No, assistants will lead you a safe distance away until help arrives
11. ***Who is "The Boss of the Bus"?***
The Driver
12. ***What is the most important thing to do in an emergency?***
Stay calm and listen to the driver.....
