

BE IN THE KNOW

More than a Diploma

Come join Birdville ISD's Counseling and Student Services Departments on Thursday, March 30 at 5:30 p.m. at the Professional Learning Center for our "Be in the Know" program. This program focuses on the current services available to our students and families as they navigate through this post-COVID era. The landscape on how to prepare for a career after high school has changed. We will discuss the variety of classes and options that are offered, as well as the array of academic and mental health supports that are available to students. We also understand the importance of safety and security and will discuss what BISD is doing to keep your students safe.
