

2020 Summer Aspire at Jack C. Binion

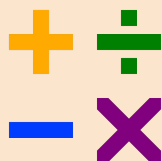

You are invited to join Summer Aspire at Binion Elementary. There will be academic classes such as science, math and language arts. There will also be enrichment classes. We are considering all types of classes such as fitness, art, photography, vlogging, creative writing, and crafts. Let's us know [what you're interested in](#).

Summer Aspire will be held ONLINE. So get your device ready. Instructors will provide virtual instruction, allowing students to navigate their classes and collaborate with other students. We will even have virtual field trips!

If you don't have a device, you can still participate. [Click here](#). We have mega fun packs available for pick up.
