## Birdville Cheer Expectations and Program Information

- ❖ A Birdville Cheerleader is a servant leader at heart. They are a spirit leader, a crowd leader, an athlete, and an ambassador for our school and community.
- ❖ Birdville Cheerleaders are held to a higher standard. We are a team and we expect all members to act as a team, and to not only be leaders on the field and mat, but also in the classroom, and our community.

### The following expectations should be understood by all members:

- Birdville Cheer comes FIRST. If you are involved in extracurricular activities, sports, competitive cheer, etc., you need to understand that our organization is the first priority.
- Our yearly cheer season lasts from the end of April–beginning of June, and end of July–mid February. (This is a YEAR ROUND SPORT.)
- **All of our practices/performances/events are MANDATORY.**
  - It is up to the coach to determine the consequence for missing an event. Prior communication here is key.
  - If a practice is missed, there is a chance you will be pulled from a performance/competition. We have to do what is best for the team, and unfortunately, this happens at times.
  - We practice daily, and cheer class is during 7th period. During the competition season we practice until 4:30 PM at least 2 days a week. All other days are generally until 3:30–4:00 PM. We do try to offer study hall a few times during a nine week grading period.
    - We expect athletes to wear the correct practice clothes on the correct day/dress-up days/game days, etc. Violations will result in additional practice expectations.
  - If you have a job, you need to let your employer know you're not able to work before 5 PM on weekdays.
- Our coaches follow a safety-first approach and we move in progressions. We expect the program to do the same. We establish ability levels and follow NFHS safety rules and standards, and stay current with our certifications.
- We follow UIL guidelines of “no pass, no play”, where our members must maintain at least a 70 average in each class. Becoming ineligible two times beginning with the end of the first nine-week grading period will result in automatic dismissal from the team. This includes three-week grade checks.
- We also expect our cheerleaders and mascots to be present in all academic classes regularly.
- We expect our cheerleaders to have that “collegiate cheerleader” look.
  - No extreme hairstyles or colors will be permitted. Your hairstyle should not get in the way of your performance and we expect our hairstyles to be the same at games, events, and competitions.

- No visible tattoos are permitted.
- **NO JEWELRY AT ALL** when you are in uniform (practice wear, cheer uniform, etc.) (This includes belly button rings, nose piercings, any jewelry in the ear, as well as spacers.)
- Cheerleaders must have athletic-length fingernails. (Taken from NFHS-“Fingernails, including artificial nails, must be kept short, near the end of the fingers.” No white or bright colored nails. (They must be natural in color.)
- This is a very physical sport. Please know that we will require your athlete to check in with us and document their workouts over the summer.
- Every parent is expected to be a part of our Cheer Booster Club. The Booster Club does a lot for our program and they are a huge supporter of all we do.
  - Most of our fundraising efforts are done through the Booster Club.

### **DISCIPLINE GUIDELINES**

We expect all members of the Birdville Cheer Program to have the utmost character, and are leaders in the classroom, and in the community. Birdville Cheer follows the BISD Code of Conduct and the Extracurricular Honor Code.

A cheerleader or mascot assigned to in-school suspension will be subject to the following actions:

- First Offense: benched for the next event.
- Second Offense: benched for the next event and placed on probation for the duration of the school year.
- Third Offense: removal from the squad.

A cheerleader or mascot assigned to out-of-school suspension will be subject to the following actions:

- First Offense: benched for the next two events, principal/coach review, placed on probation for the duration of the school year. Possible dismissal.
- Second Offense: removal from the squad.

Any cheerleader or mascot who has had two offenses will have a meeting with the coach and appropriate principal to discuss needed improvement. Parents/Guardians will also be notified.

Any cheerleader or mascot removed from their squad for disciplinary reasons during the current school year will not be eligible to participate in the next tryout without prior approval from the coach. Areas to be reviewed will include but not be limited to a review of the reason(s) for removal and student records since removal (academic grades, discipline records, attitude, etc.)

All other infractions, including insubordination, will be addressed on a case by case basis. When possible, we will give a warning first and a second infraction will result in a benched performance. Any infraction that is a violation of the Code of Conduct or the Extracurricular Honor Code will be dealt with in accordance with the BISD policy.

## **CHEERLEADER AND MASCOT CONSTITUTION**

### **I. PHILOSOPHY/PURPOSE/GOALS**

The purpose of Birdville Independent School District's Cheerleaders and Mascots will be to promote positive school spirit for Birdville ISD's three high schools. Cheerleaders and spirit groups exist to promote good sportsmanship, good citizenship, and wholesome and enthusiastic school spirit and are first and foremost representatives of their school. Because of these responsibilities, members of the cheerleading squad and mascot(s) will be expected to maintain a higher standard of behavior (both on and off-campus) and academic achievement than that of their peers. Cheerleaders and Mascot(s) will help develop a good sense of sportsmanship among the student body.

Support of Birdville, Haltom, or Richland High School activities will take precedence over **any** outside activity, including, but not limited to, jobs, community commitments, and family functions.

Each school's cheerleaders and mascot(s) will cheer and perform at various sporting events such as home games, pep rallies, and other events as determined by the cheer coaches in conjunction with the campus principal.

### **II. MEMBERSHIP**

The Varsity cheerleading squad may consist of 11<sup>th</sup> - 12<sup>th</sup> grade students. The Junior Varsity Squad may consist of 10<sup>th</sup> - 12<sup>th</sup> grade students. The Freshman squad will consist of 9<sup>th</sup>-grade students.

All candidates will be selected with a score that combines a judges' panel score and an academic/discipline/clinic score. Judges' scores will have a 75% weight and the academic/discipline score will have a 25% weight. Three judges' scores will be derived on the day of tryouts from a panel of two professional cheerleader consultants and the campus head cheer coach. The academic/discipline/clinic score will be derived from the report cards, teacher evaluations, any referrals on file with the cheerleading liaison Assistant Principal's Office, and a pre-tryout clinic evaluation. Senior candidates' final scores will be weighted by .075, junior candidates' final scores will be weighted by .050, and sophomore candidates' final scores will be weighted by .025. The top-scoring mascot candidate(s) will be selected as a mascot(s). Mascot candidates do not receive weighted scores. Mascot scores will consist of 75% judges' scores and 25% academic/discipline/clinic score. On the day of tryouts, all candidates will tryout before the judges' panel in a centralized location.

### **III. ELIGIBILITY - TRYOUTS**

1. Secure an information packet, complete all required forms, and return them to the high school campus by the designated deadline.
2. Have a signed permission slip from a parent or guardian.
3. Attend a mandatory pre-tryout meeting. Parents and candidates are both required to attend the meeting before being allowed to try out.
4. Have a signed doctor's release stating the candidate is in good physical condition and can withstand strenuous activity. If selected, a UIL [Pre-Participation Physical Evaluation-Medical History](#) Form must be filed **annually** at each high school.

5. For those currently enrolled in Birdville ISD, students trying out for Varsity and Junior Varsity squads must attend the high school where they are seeking a position. Students who are not currently enrolled in Birdville ISD may try out for Varsity and Junior Varsity squads by either 1) showing proof of residency within the attendance zone of the high school where seeking a position or 2) getting approval to attend the high school where seeking a position through the district's Open Enrollment process.
6. For those currently enrolled in Birdville ISD, students trying out for the Freshman squad must be attending a middle school feeding into the high school where they are seeking a position. Students who are not currently enrolled in Birdville ISD may try out for the Freshman squad by either 1) showing proof of residency within the attendance zone of the high school where seeking a position or 2) approval to attend the high school where seeking a position through the district's Open Enrollment process.
7. Attend practice sessions conducted before tryouts.
8. Must not have outstanding fees or fines with BISD or any BISD campus.

#### **IV. EXPECTATIONS OF CHEERLEADERS/MASCOT**

The student must be able to provide all required uniforms, emblems, paraphernalia, etc. This includes uniforms, equipment, and refreshments for various events. The squads will be provided fundraising opportunities to offset costs associated with cheerleading as needed to benefit the squad. Each cheerleader will be expected to support cheerleader fundraising projects under the direction of the cheerleader coach.

Purchasing uniforms from graduating cheerleaders can save money.

The sizing of the uniform must be agreeable to the cheerleader coach (and parent, if available) at order placement. Changes due to weight or height gain or loss are not the responsibility of the uniform vendor or Birdville ISD. The cheerleader coaches' standards of correct fit must be followed. Any necessary uniform alterations are to be arranged and paid for by the parent and approved by the cheerleader coach before any changes.

Uniforms must be paid for by the 1<sup>st</sup> day of school in August. 50% of the bill must be paid before camp. An outstanding balance after the 1<sup>st</sup> day of school will cause the cheerleader to perform once the balance is paid.

Payment for each cheerleader's account becomes the responsibility of that cheerleader/mascot and his/her parents at the time of order, whether or not that cheerleader or mascot completes the year as a cheerleader or mascot.

Cheerleaders are to follow the National Federation Cheerleading Rules, which have rules on safety issues. ([www.nfhs.org](http://www.nfhs.org))

A student accident insurance program is available to students. Those who choose not to participate in this program must indicate so on their tryout application.

#### **V. RESPONSIBILITIES OF SELECTED CHEERLEADERS/MASCOT(S)**

Loyalty is a key ingredient to the success of a group like the Cheerleaders and Mascot(s).

- Must abide by the district's rules stated in the BISD Code of Conduct Handbook and the Extracurricular Honor Code.
- Attend all summer activities, which begin as soon as school is out in May.

It is the cheerleader's and mascot's responsibility to notify the cheerleader coach before any absence from practice. The following are **excused** absences: personal illness, injury, funeral or death in the family, special school activities with prior notice to the coach, and religious holidays. The cheerleading class/practices will be treated the same as any other class and the campus administration will make the final determination about excused and unexcused absences. The coach must receive written notices no later than the second day a member returns from the emergency absence. If the excuse is not received by the second day, the absence will be unexcused.

### Cheerleaders and mascots are expected to:

- Be on time and prepared to participate in all scheduled cheerleader team practice sessions and events
- Participate in and share equally in preparation for cheer activities
- Participate in all cheerleader-sponsored fundraising activities
- Perform at all school events scheduled by the cheerleader coach
- Exhibit high moral standards and abstain from tobacco, illegal drugs, and alcoholic beverages at all times, both on and off campus
- Cheerleaders will provide their transportation to and from the games in the BISD district when school transportation is not provided.

Cheerleader leadership class is a ½ credit elective course applying to high school graduation. All cheerleaders must be enrolled in the class during the fall and those not enrolled in a sport for the spring semester are required to remain in the class for the spring semester. The class will meet daily. If enrolled in a sport during the spring semester, the cheerleader or mascot is responsible for attending some practices and all cheerleading commitments unless approved by the cheerleading coach.

Eligibility rules for the number of games cheerleaders can participate in per week: one day between Monday – Thursday, and any amount of games Friday after 3:30 p.m. through the weekend. Play-off games are excluded from this rule.

When wearing the school-approved uniform, a student is not allowed to wear jewelry, including strings/rope chains. Cheerleaders must also have hair pulled back in a tight ponytail or away from the face for short hair. Fingernails, including artificial nails, shall be kept at a length appropriate and within safety rules. All cheerleaders in uniform will not be allowed to chew gum during school-sponsored activities.

Cheerleading uniforms, defined as anything purchased through your high school, are only to be worn at assigned times.

### **Cheerleaders must not:**

- **wear any part of your uniform to school or any other activities without specific permission to do so.**
- **lend any part of your uniform to someone who is not a cheerleader or mascot.**

**Remember that you represent your high school and BISD and must act appropriately when putting on the cheerleader uniform.**

## **VI. MAINTAINING ELIGIBILITY**

Cheerleaders must maintain an academic grade of 70 or above in every class\*. Any student receiving an individual grade lower than 70(F) is ineligible and will be placed on probation for three weeks according to the “No Pass – No Play Rule” (state law).

\*Excluding exempt courses. See Board Policy FM (Legal)

- Probation means no participation in cheerleading activities both during and after school (excluding practices).
- A cheerleader’s grade probation is lifted at the end of the probationary period if every subject grade is 70 or above.

Becoming ineligible two times beginning with the end of the first nine-week grading period will result in automatic dismissal from the squad. This includes three-week grade checks.

Cheerleaders and Mascot(s) must abide by the Disciplinary System in their respective schools. (Candidates receive a copy of the Disciplinary System and Cheerleading Guidelines in their tryout packets.)

Cheerleaders and Mascot(s) must meet district eligibility requirements published in the *BISD Secondary School Handbook*.

Cheerleading is a commitment for a full year. Award letters and jackets will be presented at the beginning of the year for a full year’s service as a Varsity Cheerleader/Mascot.

## **VII. COMPETITION**

Competition squad members are left to the determination of the cheer coach. UIL and other cheerleading competitions only allow a certain number of cheerleaders to compete on the mat. For numbers beyond what is allowed, those cheerleaders will be considered alternates and will still be required to be at all mandatory practices, performances, and competitions.

## **Extracurricular Honor Code**

Participation in extracurricular activities in the Birdville Independent School District is a privilege, not a right.

The term “extracurricular activities” means, without limitation, all interscholastic athletics, cheerleading, drill team, academic clubs, special interest clubs, musical performances, dramatic productions, student government, and any other activity or group that participates in contests, competitions, or community service projects on behalf of or as a representative of Birdville ISD. The term includes any non-curricular event and membership or participation in groups, clubs, and organizations recognized and approved by the school district or campus. All extracurricular activity participants are subject to the provisions of the Birdville ISD Student Code of Conduct and this Extracurricular Honor Code. Campus administration and other appropriate personnel will investigate investigations resulting from Honor Code violations.

### **Jurisdiction**

Student participation in extracurricular activities is encouraged. Birdville ISD makes extracurricular activities available as an extension of the regular school program, with this important difference; participation in the regular curriculum is a right afforded to each student, while participation in the extracurricular program is a privilege that carries additional expectations for acceptable conduct. Students engaging in extracurricular activities represent not only themselves, but also other students and the school district when performing, competing, or participating in extracurricular activities and while wearing uniforms or other clothing that identifies the student to the community or public in any setting as Birdville ISD students.

Important goals of the extracurricular program are to give students direction in developing self- discipline, responsibility, pride, loyalty, leadership, teamwork, respect for authority, and healthy living habits.

Based on this philosophy, extracurricular participants must do the following at all times:

1. Demonstrate the importance of academic excellence by maintaining eligibility through high academic standards.
2. Practice good citizenship in all environments by respecting the property and right of others.
3. Be free from activities that result in felonious charges.
4. Demonstrate knowledge of and be accountable for the individual rules of the extracurricular organization as outlined by the sponsor.

It is the responsibility of students, parents, sponsors, or coaches, and the respective directors to ensure this high level of expectation. This code applies to all participants of extracurricular activities throughout the calendar year.

## **On-Campus Behavior**

All students are expected to adhere to the Birdville ISD Code of Conduct as it applies to school- related activities. Students involved in extracurricular activities are expected to exhibit the highest standards of ethics and conduct.

Students who violate school policies and are placed in in-school suspension, suspended or sent to the DAEP (District Alternative Education Program), may not practice nor participate during the suspension or placement. Chapter 37 of the Texas Education Code prohibits a student who is assigned to the DAEP from being on a campus or attending a school activity whether on or off campus.

## **Off-Campus Behavior**

All students who participate in extracurricular activities are expected to exhibit the highest standards of ethics and conduct while off-campus, and these students may be disciplined for their off-campus behavior.

Examples of off-campus violations that will lead to disciplinary action:

1. Possession of tobacco, alcohol, steroids, drugs, look-alike drugs, or other illegal substances on campus or at school-sponsored activities.
2. Being at parties or other activities where tobacco, alcohol, steroids, drugs, look-alike drugs, or other illegal substances are present or being consumed by other individuals.
3. Engaging in serious misbehavior, as defined by the Birdville ISD Student Code of Conduct
4. Conduct that causes injury or harm to others property or persons.
5. Using profanity, lewd or vulgar language, or obscene gestures toward others.
6. Any conduct that results in an arrest.
7. Sexting or other inappropriate internet or electronic communications.
8. Bullying, harassment and hazing at all times.
9. Poor sportsmanship toward opponents while representing the school in or out of uniform.

(This is a non-inclusive list and must be confirmed by the student, student's parent or guardian, law enforcement official or a school employee who has knowledge of a violation prior to the campus administration making a decision.)

## **Off-Campus Consequences**

1st Offense – Suspension from extracurricular activities for 15 school days. 2nd Offense – Suspension from extracurricular activities for 30 school days. 3rd Offense – Suspension from extracurricular activities for a calendar year.

If the offense occurs during the activity season, the suspension begins immediately.

If the student chooses to join a new activity that they have not participated in previously, they will be suspended in the student's primary activity.

If the offense occurs in the off-season, post-season, or in the summer, the suspension begins on the first date of a scheduled game, competition, or extracurricular event the following school year. Students who are suspended for off-campus behavior may practice, but may not participate in competitions, suit-out, or travel with the team for the competitions.

### Non-Inclusive Example of Disciplinary Consequences for Off-Campus

Student	Participant	Disciplinary Consequence
Student 1	Fall Sport	15-day suspension begins date of the first competition
Student 2	Spring Sport	15-day suspension begins immediately if competition has begun
Student 3	Band	15-day suspension begins immediately if any competitions remain, if concluded, it will begin on first football competition
Student 4	Cheerleader or Drill Team	Student may still try out for cheerleader or drill team and 15- day suspension begins on date of first football competition
Student 5	Student Council Member	15-day suspension begins immediately
Student 6	FFA Student	15-day suspension begins immediately
Student 7	Spring Sport	Student is a softball player and has been for 2 years. In October, they violate the honor code. Student goes to the Wrestling Coach and requests to join team to avoid being suspended from softball. 15-day suspension begins the date of the first softball game due to avoidance of missing primary sport.

The preceding table provides examples, but the campus principal, Executive Director of Student Services, and appropriate director may adjust the dates in order to ensure district-wide consistency (based on a consensus of the group). A student who is in multiple activities will serve the penalty once and at the earliest possible time.

### Appeal Process

The parent or guardian may appeal the extracurricular suspension using the format in the Code of Conduct Booklet (DAEP placements).

1. Level I – The parents have three days to appeal the suspension to the campus principal.
2. Level II – The parents have three days from the principal’s decision to send an appeal to the Executive Director of Student Services.

Any decision by the Level II Hearing Officer is final and may not be appealed. The student remains suspended from extracurricular activities during the appeal process.
