## Summer Reading Club at The Library with Beanstack

### What is "Beanstack"?

Beanstack is the Library's web-based Summer Reading Club software. It allows you to track your minutes and activities, see upcoming events, and receive weekly, personalized book and event recommendations.

### How do I sign up?

1. Go to <https://wataugatx.beanstack.org/>
2. Click on the blue "Register an Individual or Family" button.
3. Fill in the information. If you are a parent registering a child, be sure to enter your information under "Adult Information." Beanstack allows a family's separate accounts to be linked together so that all family members can be accessed with one login.
4. Once you are registered, you will be taken to your account page. This is where you will log your minutes and activities and track the badges you earn.
5. For a faster option you can download the app in your app store. Search for: "Beanstack Tracker."

### Reading Requirements

All material read from June 1 - July 30, 2021 will be counted toward the reading goal of 1500 minutes or 25 hours.

### Reading Logs

No prizes will be awarded after Friday, July 30th at 5:00 pm.

### Prizes

A fun prize will be awarded for every 5 hours of reading, or your name will go into a drawing if you are an adult. Prizes are subject to change due to availability.

# Summer Reading at Haltom City Public Library

Summer Reading begins May 22 and ends July 31!

Children, teens, and adults are all invited to read and earn prizes this summer. You will log every day that you read. We don't care if you read the newspaper, a magazine, a picture book to your kids, your cereal box, a gigantic novel, or listen to a book in your car.

#### How to participate:

- On your computer: Go to <https://haltomcitytx.beanstack.org>
- On your smart phone/tablet: Open your app store and download the "Beanstack Tracker" by Zoobean, Inc. Click on "Find Your School or Library" and type in Haltom City Public Library.
- If you already have an account, sign in. If this is your first summer participating online, click on register and follow the instructions on the screen.
- Return to the website or the app to log the days that you have read. Beanstack will let you know when you've earned a prize!
- Paper logs will be available at the library for children (birth through 5th grade).

#### Escaped from the Zoo: A puzzle for children, teens, and adults

What a way to start summer reading! Silly animals have escaped from their habitats at the zoo. The zookeepers need everyone's help to get the animals back to their habitats. Complete this challenge to earn an extra entry in the prize drawings: <https://tinyurl.com/escapedfromzoo>
