

Elementary Gifted and Talented Education (GATE)

GATE VISION

- We believe gifted students have unique learning needs.
- We believe gifted students have the right to a personalized educational experience which fosters academic, social, and emotional growth.
- We strive to provide an engaging learning environment which allows gifted students the opportunity to work together.

KEY ELEMENTS

- Challenging curriculum and learning experiences which provide depth and complexity beyond the foundation curriculum
- Opportunities for students to work with other gifted students under the guidance of a certified GT teacher for extended periods of time.
- Provides opportunities for students to develop sophisticated and innovative products, such as capstone research projects.
- Addresses the social and emotional needs of gifted learners.

GATE Services by Grade Level:

Grades K-2
 Students stay at home campuses for GATE class.

Grades 3-5
 Students travel once a week to centralized locations for GATE class.
