

Parent Involvement Policy

Richland Middle School

Overview

As per Public law 107-110, *No Child Left Behind Act* (NCLB), Richland Middle School has adopted the following policy to ensure that the staff coordinates all possible programs to provide quality services to our children and families. We also want to afford parents substantial and meaningful opportunities to participate in the education of their children.

Our goal at Richland Middle School is to find ways of enhancing each student's learning opportunities as well as helping each student become a lifelong learner. We want to also maximize ways that each parent can participate in their student's success, both on the academic and social/emotional level.

To reach this goal we will work together with parents to monitor the effectiveness of our Parental Involvement and Title I Programs. This policy will be promoted by administration, staff and other school personnel as we seek advice from our parents.
