Dear ASPIRE Families,

Birdville ISD had the wonderful opportunity to be awarded and participate in the Cycle 10 ASPIRE/Texas ACE grant administered by the Texas Education Agency and funded federally through the 21st Century Community Learning Centers Grant since August 2018. Unfortunately, this grant will end this upcoming summer, June 2023. This grant provides the funding for the ASPIRE program at your child's campus. Therefore, the District will be unable to offer the before and after school programs in 2023-2024 as in past years to the schools listed below.

These schools that will no longer offer ASPIRE include:

- Haltom High School
- Haltom Middle School
- North Richland Middle School
- Richland Middle School
- North Oaks Middle School
- Watauga Middle School
- Smith Elementary
- Mullendore Elementary
- Stowe Elementary
- Holiday Heights Elementary

Birdville ISD has applied for the competitive grant of Cycle 12; however, the Texas Education Agency will not name the recipients until June of 2023.

The district is in the process of planning afterschool tutoring sessions to replace the ASPIRE afterschool program. Parents will be notified regarding the tutoring program prior to school starting.
