

ASPIRE

Cycle 10, Year 4

After School Program Inspiring and Reinforcing Education

Welcome

- ❖ Jennifer Miller, Director of Intervention Services
- ❖ Hilda Hager, Coordinator of State Compensatory Education and Extended Day Services
- ❖ Claudine Avila, Project Director
- ❖ Dr. David Holland, External Evaluator

What is ACE?

ACE stands for Afterschool Centers on Education. The name of our ACE program is **ASPIRE - After School Program Inspiring and Reinforcing Education.**

We offer structured, safe and supervised places for learning and social interaction.

We offer innovative, hands on activities that reinforce and complement students' regular academic programs (before/after school, summer).

Our programs strive to increase promotion and graduation rates and to help prepare students for college and the workplace.

What are the benefits of ASPIRE?

Students who regularly participate in ASPIRE benefit from:

- A free, safe, and engaging place to spend time before school, after school and during the summer.
- Opportunities to participate in innovative enrichment activities.
- Needs-based academic support aligned with the school day.
- Targeted activities to promote college and career readiness.
- Caring relationships with adults.
- Increased likelihood of attending school, developing better social/emotional skills, and advancing to the next grade.

Our programs strive to improve:

- **Academics** - Improve student grades by at least one point in English/Language Arts/Reading.
- **Attendance** - Improve student school day attendance by a percentage point.
- **Behavior** - Ninety-five percent of regular participants will have no discipline referrals.
- **Promotion** - Ninety-five percent of student participants will promote to the next grade.
- **Graduation** - All program participants will be exposed to college/workforce activities.

Texas ACE & Westat

TEA has contracted Westat to provide innovative professional services.

Supports we receive include:

- Quality assurance monitoring and feedback
- Capacity development facilitation
- Individualized before school, after school, and summer technical assistance
- Training and professional opportunities
- TX 21st - Data collection and reporting management
- Local program evaluation support
- www.mytexasace.org

Budget

- We are grant funded by the **21st Century Community Learning Centers (CCLC) Grant**.
- Our program's funding is limited to 3-5 years (currently in year 4).
- Cycle 10 received \$1.5 million for the current school year 2021- 2022.
- ASPIRE programs are encouraged to collaborate with their campus including purchases with a 60/40 split.
- Looking ahead we plan to apply for the next grant cycle for the 2023-2024 school year.

Program Hours

How can the community benefit from and support ASPIRE?

- We create a stronger, more efficient workforce.
- We build enduring centers to provide a safe place for children.
- We create a positive and long-lasting impact on the local community.
- We make a significant difference in the lives and futures of children and families in need.

ASPIRE needs your help and all levels of support are welcome including:

- In-kind contributions
- Tutor, mentors, volunteers
- Activity presenters
- Job shadowing opportunities
- Food/beverages
- Supplies (pens, paper, equipment, backpacks, etc.)

We need your feedback!
