

Birdville ISD Council of PTAs

## **SUPPORT THE CLOTHES CONNECTION & SUPPLY DEPOT**

The Birdville Council of PTAs' Clothes Connection and Supply Depot programs provide school supplies, new socks, new underwear, new shoes, and gently used clothing for students in need throughout our district. We serve families from each BISD campus. Over the past few years the number of students in need has greatly increased.

All employees of BISD have the opportunity once again to join together in partnership with your local PTAs to support the Clothes Connection and Supply Depot financially. Together, with everyone giving just a little, we can make a BIG difference. Currently, these programs receive approximately \$3,600 per month thanks to generous employee donations.

If you would like to contribute to the Clothes Connection and Supply Depot through a payroll deduction, please complete the form below and return it to the secretary.

The BISD Payroll Department administers this program and sends the cumulative donation to Clothes Connection on a monthly basis. Birdville Council of PTAs is a 501(c)3 non-profit organization and your contributions are tax deductible.

Thank you for considering this opportunity to support the Clothes Connection and Supply Depot and all the students of BISD.

Please return the bottom portion to your campus secretary. Thank you for your support.
