**Subject:** Richland High School Student Chromebooks for Online Learning

Dear Richland Royal Parents,

Birdville ISD wants every student to have a device for online learning and we will be checking out Chromebooks at our school.

To make sure that we have enough Chromebooks, we request that you only check-out a device if your student has no other computer for online learning.

To receive a Chromebook, complete the **Parent & Student Equipment Use Agreement** form that is available in your Skyward Family access account, [with parent login](#).

*\*When using a student Skyward login, the **Parent & Student Equipment Use Agreement** form will not appear.*

*\*The **Parent & Student Equipment Use Agreement** will also not appear if using the mobile Skyward App.*

Please visit the following link for instructions on accessing the form [BISD Parent & Student Equipment Use Agreement in Skyward](#). *Your student's ID number is required to complete the **Parent & Student Equipment Use Agreement**.*

Once the **Parent & Student Equipment Use Agreement** is complete, you are eligible to come to our campus on the date assigned below, based on your student's classification. Please reference the table below to view your assigned date.

*Please note:*

*If you do not have a Skyward Family Access account and wish to check-out a student Chromebook, please come to the campus on the date assigned below, based on your student's classification. You will be able to fill out the agreement at the campus using a district computer.*

**Please be aware that we will be enforcing social distancing, mask mandates, and regulating building occupancy in order to ensure the safety of our students, parents, and staff.**

Thank you,
