

## RHS Students and Families:

All Returning Students (including freshman and students from other BISD facilities) will register online.  
New BISD Student registration process is also available online.

Families do not need to do any registration in person. Please use the hyperlink below to begin the process, or you can use phone's camera to hover over the QR code and it will redirect to the link:

### **REOPENING Plan with detail description of Family Options and Choices**

BISD has released our Reopening Plan. This plan outlines the new start date and calendar for students along with descriptions of Face to Face learning and Online Learning options. When students register, families will select which choice works best for them. The description along with frequently asked questions and other information can be found at:
