

PROJECT CELEBRATION T-SHIRT FUNDRAISER

Dear Family Members and Friends,

Project Celebration is a drug- free, alcohol- free event that is held after prom. It gives our students a safe place to go and enjoy time with their friends from 12:00 AM- 6:00 AM. The committee has been working feverishly throughout the fall and spring to raise funds for this event. We continue to work toward our goal of \$25,000, which will just pay for the venue and provide a prize for each student who attends.

As a continued effort, we are offering the following t-shirts to help us get closer to our goal. All profits from this t-shirt sale will go directly to the Project Celebration event. Sales may be placed either online (https://stores.inksoft.com/rhs_project_celebration) or by using this order form. Additional forms will be available in the office and in various other areas in the building. We hope you will consider supporting us!
