# FERPA (Family Educational Rights and Privacy Act)

- It is a violation of federal law to release student educational information without student consent.
- Dual credit students sign a release allowing their information to be shared with parents.
- Although parents share ownership of the K-12 student record with their child, once the student enrolls in higher education the FERPA rights transfer solely to the student.

# Score Release Form

**Students attending TWU who tested at an alternate institution** should complete the Score Release Form to allow retrieval and posting of TSIA scores to their student account.

[Score Release Form](#)

Academic Testing Services provides an official copy of TSIA scores to students upon completion of test session.

**TWU does not email or mail score reports to other Texas public institutions. Students should contact the institution they plan to attend for score retrieval.**

# Apply Texas

The screenshot shows the Apply Texas website interface. At the top left is the logo with a red star and the text "ApplyTexas" and "Many Schools. One Application". To the right are links for "About ApplyTexas", "Help", and "Counselors & Administrators log in here >". Below this is a white box with the heading "Explore. Apply. Repeat." and three columns of text: "Research your options.", "Apply online.", and "Do it again.", each with a "Get started now >" link. A red banner contains "First time here? No problem. Get started >" and "Already have an account? Log in now". Below the banner are two columns: the left one says "It's fast. It's easy. It's free. Create your account now >" and the right one has "username" and "password" input fields, a "Log in" button, and a link "Problems logging in? Click here".

- Apply Texas is the application used for Dual Credit and there is a one-time \$50 application fee.
- Fee can only be paid online at the time of submission.
- Follow the step by step application instructions.

# Transcripts from Other Institutions

- TWU requires an official transcript from every institution where college credit was attempted or earned.

# Creating a Pioneer Portal Account

## Creating a Pioneer Portal Account

### New Dual Credit Students

If you are a new dual credit student and need to create your [Pioneer Portal](#) account:

- Go to the [Create a Pioneer Portal](#) website
- Fill out the form with the following required information:
  - Last name
  - Social security number (or TWU student ID number)
  - Birth date
- Create a password
  - The password must be complex and follow the instructions on the screen
- Click "Create My Account"
- Please write-down or make note of your username that is presented on the results screen; this will be your email address and username to access all TWU systems.
- Once an account has been created, please wait about ten minutes for all account access to be created and pushed through our systems. The TWU Gmail account itself will be completed within 1-2 hours with no further action.

- Check the email that was used for ApplyTexas (including spam folders) to retrieve the TWU student ID Number. Wait 24-48 hours after submitting application.

# Check Application Status

## Check Application Status

1. Visit [WebAdvisor](#) and "Log In" via the link in the upper right corner (or access it via the link on your [Pioneer Portal](#) homepage)
2. Select the "Applicants" blue rectangle
3. Review your applicant and account information
4. Check for missing documents:
  - Select "My Documents" under the Communication heading
5. Check application status:
  - Select "Admission Status" under the Admission Information heading

**Additionally**, monitoring your [TWU email account](#) will help you stay informed.

*Page last updated 9:47 AM, September 6, 2019*

- Check your TWU email regularly.

# Questions About Dual Credit Application Documents?

- Contact the Office of Admissions Processing (OAP) to check on:
  - Application materials received?
  - Application Status?
- **All** documents/items will be submitted directly to OAP
