

The Birdville High School Roadmap for Reopening plan is a document with regular review and changes to reflect new information and practical experiences. *Due to the constantly evolving situation with COVID-19, and the regularly changing guidance from state education and health officials, BHS's Plan will be reviewed and updated as needed to reflect new requirements from the CDC; federal, state, or county orders; BISD or the Texas Education Agency.*

Return to School Protocols

Following are the return to onsite work protocols for Birdville High School. *Since this is an ever-changing situation, the district may need to change protocols at any time to address specific needs and circumstances in order to protect the health and safety of students, employees and the community.* Please note, health guidance cannot anticipate every unique situation. As a result, BISD will continue to consult available guidance through governmental agencies and other information deemed relevant to monitor the situation. The district will comply with applicable federal and state employment and disability laws, workplace safety standards and accessibility standards to address individual needs.

It is important to remember the virus that causes COVID-19 can be spread by infected persons who have few or no symptoms. Because of the hidden nature of this threat, Birdville High School expects all employees, students and families to rigorously follow these practices.

Preparation for the Opening of School

Birdville High School will ensure all staff, resources and supplies are prepared for opening school, including but not limited to assigning sufficient staff to carry out re-opening, ensuring proper training and stocking inventory of necessary supplies, such as personal protective equipment (PPE).

The Centers for Disease Control and Prevention (CDC) provides guidance, recommendations and resources to assist with plans and protocols for health and safety. Before schools re-open, Birdville High School will implement health and safety plans that include:

- ▶ Ensuring adequate supply inventory (e.g., PPE, cleaning supplies, hand sanitizer, etc.)
 - ▶ Cleaning with products approved by governing authorities and per guidelines from the Environmental Protection Agency
 - ▶ Ensuring compliance with CDC, the Texas Education Agency and other state and local policies
 - ▶ Providing communication of procedures and expectations upon entering facilities and throughout buildings
-

Protocols for Personal Protective Equipment

Masks Required for All Staff and Students

On Friday afternoon, Aug. 7, Tarrant County Public Health joined the CDC in recommending the use of masks (cloth or paper) instead of face shields in all school buildings and buses. Therefore, BISD is requiring masks to be worn by all staff and students while on District property, including buses.

Due to the constantly evolving situation with COVID-19, and the regularly changing guidance from state education and health officials, BISD's Plan will be reviewed and updated as needed to reflect new requirements from the CDC; federal, state, or county orders; or the Texas Education Agency.

In order to protect our Birdville High School family, we are requiring all students and staff to wear face coverings during school hours and for extracurricular activities before and/or after school hours. This requirement is subject to change.

Sanitizer stations will be placed at each exit and students will be encouraged to sanitize hands prior to exit. Sibling connections at Elementary campuses will be done outside the building. Separate exits will be utilized for car riders, bus riders, and walkers. Parents picking up students during the day will call ahead so that students can be sent or accompanied to parent vehicles upon arrival.

BUS TRANSPORTATION

As schools reopen, students using school bus transportation services will follow revised protocols. Starting at the time when students arrive at their designated bus stop and board the school bus, the new safety and sanitizing protocols will need to be followed.

Transportation COVID-19 Protocol: Parent Information

The following guidance is offered to parents and caregivers regarding school bus transportation for daily bus routes. Although the district is implementing the safety protocols and disinfecting efforts described below, families are encouraged to drop students off, carpool or walk with their student to school to reduce possible exposure on buses. *We are requiring all of our drivers and students to wear masks while on the school bus.*

Attendance for BHS Remote Learning Virtual Instruction

Students who login to Canvas, complete the attendance form, attend live, teacher-led instruction and complete activities each day are considered “present” and **will not** be marked absent. Students who have not logged in by 3:00 pm each school day **will** be marked absent. This absence can be resolved if the student logs into Canvas, completes the attendance form for each class (secondary students) and engages in daily learning assigned by their teachers via Canvas by 11:59 p.m. that same day.

BHS Remote Learning Virtual Instruction Design

Classes within this environment will follow the schedule of classes at the student’s home campus. Birdville High School will structure the students’ learning schedule to require students to participate in BHS Remote Learning Virtual Instruction learning.

Teachers will structure the instructional day to follow their campus bell schedule.

Within each course/subject, teachers will plan for students to participate in BHS Remote Learning Virtual Instruction learning.

- ▶ All courses will be offered in both settings, including advanced level courses.
- ▶ Some courses for students who select BHS Remote Learning virtual instruction may require the student to complete assignments or projects at the campus if the course requires assignments that cannot be reasonably completed remotely
- ▶ Students in BHS Remote Learning virtual instruction are able to participate in on-campus classes for extra-curricular activities (in accordance with UIL requirements).

Intervention and Enrichment for Remote Learning

Intervention, enrichment, and tutorial time will be scheduled regularly for students to best meet their academic needs. During this time, students may engage in assigned group activities, project-based learning activities, small group or individual instruction. Teachers will communicate with students their plan for the designated time.

Grading for BHS Remote Learning Virtual Instruction

Grading for all remote courses will follow the same grading policy as the courses in the face-to-face model. BHS Remote Learning virtual instruction courses that earn high school credit will count in GPA calculation and class rank as specified in BISD Board Policy.

1. All asynchronous assignments will be graded using the district grading policies (see Grading Handbook).
2. All asynchronous assignments will align to the TEKS.
3. Asynchronous teachers must do progress monitoring and provide weekly feedback that is specific to each student’s progress.

Birdville High School Roadmap for Reopening Plan

4. Asynchronous teachers must enter all grades into Canvas and then sync assignments/tests for grades with Skyward, because Skyward is the official place for grades and attendance
5. Teachers will use multiple resources (AWARE, AP Classroom, Edgenuity, Go-Guardian, etc.) to reduce academic dishonesty.
6. Face-to-face teachers and Asynchronous teachers will be encouraged to collaborate within PLCs to develop major assessments/assignments that are similar, aligned to TEKS, and of the same cognitive rigor.

Specialized Classrooms & Extracurricular

All extracurricular practices and contests will be conducted following safety protocol provided by guidance from BISD, UIL and TEA. This will include COVID-19 screening, group sizes, sharing & sanitizing of equipment, locker room usage, etc.

Students opting for the BHS Remote Learning virtual instruction learning environment will be permitted to participate in on-campus extracurricular activities unless decisions from TEA (Texas Education Agency) or The UIL (University Interscholastic League) are communicated that restrict participation. It will be the responsibility of the parent to transport their student to/from practice sessions, rehearsals, and on-campus contests. Parents and students choosing the BHS Remote Learning virtual instruction option will need to communicate with the appropriate campus staff (music director, athletic coach, cheer coach, etc.) of their intention to participate. Extracurricular activities will only be offered on campus in a face-to-face environment.
