

2005 F.I.R.S.T. REPORT

Financial Integrity Rating System of Texas

Birdville Independent School District

The Honorable Board of Trustees and
Taxpayers of Birdville ISD:

The 2005 Schools FIRST Rating is being presented for your information. FIRST stands for "Financial Integrity Rating System of Texas." It is the annual rating performed by the Texas Education Agency to test the financial performance of school districts as required by Title 19, Texas Administrative Code, Section 109.

The District is required to hold a public meeting to distribute a financial management report that explains the district's performance under each of the 21 indicators and the resultant district's rating. The 2005 rating was based upon analysis of staff and student data reported for the 2003-2004 school year, and budgetary and actual financial data for the fiscal year ended August 31, 2004.

Birdville ISD received a "Superior Achievement" rating for 2005, scoring perfect on all 21 indicators. A district is assigned one of four ratings: Superior Achievement, Above Standard Achievement, Standard Achievement, and Substandard Achievement.

We feel that reaching the goal of Superior Achievement is more significant due to the complexity of accounting associated with the Texas' school finance system. The Schools FIRST accountability rating makes sure that Texas school districts are accountable not only for student learning, but also for achieving these results cost-effectively and efficiently. The information provided by the Schools FIRST system will guide us in our continued efforts to make the most of each taxpayer dollar.

Respectfully Submitted,
