The "Other" field on the *Travel Request and Expense Report* is for requesting reimbursement for baggage handling, toll road fees, taxi fares, etc., that are often associated with the conduct of official school business. Receipts are required. Internet fees, if approved by supervisor for business purposes, will need to be included in this field.

Use of Personal Vehicle for BISD Business (non-overnight and local)

The Mileage Reimbursement Form should be used by employees to claim approved mileage reimbursement. Unless other expenses are incurred, this form may be used for all local travel. This form is found on the Finance Staff Travel website <https://www.birdvilleschools.net/domain/2870>.

The intent of the mileage reimbursement is to reimburse for all **actual business miles driven** in excess of the commuting miles from your home to your primary work location and back. If there are no miles driven in excess of normal commuting miles, no reimbursement is due.

With the exception of items (a) and (b) below, all mileage reported should be based first on the district mileage chart located on the Finance website at <https://www.birdvilleschools.net/cms/lib/TX01000797/Centricity/Domain/2870/2012-2013%20Mileage%20Chart%20Between%20Campuses.pdf> or by attaching a mapquest printout showing the mileage between work locations.

Never report miles driven from home to your primary work location or from your primary work location to home.

If you begin your workday at your primary work location, begin reporting miles from that point using the district chart.

- (a) If you begin your workday at a temporary work location, you may report miles from your home to that location or miles from your primary work location to that location, whichever results in the shortest travel distance reported.

Record the miles from each work location to the next using district mileage chart.

- (b) If you end your workday at a temporary work location, you may report miles from your location to your primary work location or to your home, whichever results in the shortest travel distance reported.

The signature of the supervisor on the mileage report indicates that the report has been verified for the validity of the activity and that payment is authorized.

Employees receiving a travel stipend **will not be reimbursed for in-district travel.**

Travel associated with conference/training within the 75 mile radius does not require a Travel Request and Expense Reimbursement form be submitted. Only requires the Mileage Reimbursement form.

The employee's personal auto policy will be fully utilized for any and all comprehensive, collision, or liability claims.
