

Teacher Discount Program

Hey there! My name is Casey Click, and I'm a recent employee of DFW Security. I was a teacher for 19 years. I've had the privilege to teach every grade level, tested, non-tested, core classes, etc. I've coached, driven a bus, waxed floors, substituted, been an aide, had the dreaded kindergarten cafeteria duty... The point is, I know what it's like to be a teacher. I know what you go through on a daily basis. I want to do something to make your life a bit easier. I always thought teachers deserved discounts on things, but so many companies never offered it. Well, I'm offering it to you, on me. I just wanted to say thank you. In a world where teachers aren't thanked enough, thank you. Thank you for getting up every single morning, slinging coffee in your cup, and on your pants. Thank you for putting forth so much effort for our kids. Thank you for the abuse, the use of your own money, the tears you cry, and most importantly, thank you for your caring heart.

DFW Security is a local security company based out of Fort Worth, TX. We do home and business security. DFW has been serving the Metroplex for over 20 years without an issue. We offer excellent customer service coupled with military-grade encryption. Your security is important to us, and so is your experience. I will do everything to make sure you feel completely taken care of. Once again, thank you so much.

At DFW Security, our equipment is state-of-the-art and unable to be hacked. We offer everything from complete perimeter security, medical pendants and notifications, fire and carbon monoxide monitoring, cameras, and even smart home features such as garage doors, lights, thermometers, etc. If you are currently under contract with your provider, you can still give me a shout. We can work with six months or less on your current contract!

Please feel free to contact me if you have any questions. I am offering this discount to you, myself, out of my pocket, to say thank you. You can call me on my direct line, any time, at 817-753-0430. You can text me on my cell phone, 254-592-6841. Or you can email me at cclick@dfwsecurity.com.

Thank you so much! I'm looking forward to working with you!

Casey Click
