

How do I find my Service tag number?

This number is important to the Techs, because they need it to order replacement parts from Dell to fix your computer.

If your machine is dead, the Service Tag can be located on the left had corner of your machine.

See the screen shot below for the larger shot of the actual Service Tag.

WWW.DELL.COM

Service Tag: 4BP4D91

Express Service Code: 9414451477

OPTIPLEX GX620
