Summary of Federal Report Card (FRC)

The FRC is a report required under the federal *Every Student Succeeds Act of 2015* (ESSA). Each year, TEA prepares a Federal Report Card for the state, each school district, and each campus. These reports provide important information about academic performance and accountability. A description of the information included in the Federal Report Card can be accessed [here](#).

If you have any questions concerning the School Report Card or the Federal Report Card, please contact your campus principal. If you would like a printed copy, email your request to publicinformationrequest@birdvilleschools.net. Be sure to include the campus name(s) and your contact information.
