\*\*The Star Reading screener is administered to all 6-8 grade RLA students. This screener satisfies the TEA's requirement that Districts administer an approved reading instrument to incoming 7th-grade students whose performance on 6th-grade RLA STAAR does not demonstrate reading proficiency.

S/T Math will be used for K-3 and 6-8 Math. This is a required instructional software and should not be confused with required screeners such as Renaissance.

All CBAs and STAAR/EOC will be provided online

! Do not schedule field trips during STAAR/EOC Testing Weeks

Data analysis from classroom assessments, CBAs, & Interims should be completed within 2-weeks of assessment dates. 1-week is ideal.
