Notes (6.16.2020):

- TEA will be providing an updated state assessment calendar. The dates for paper administration will not change but the online testing windows will be extended to provide flexibility to districts.
- \*Students receiving instruction completely online will be able to take the reading and math screeners at home (STAR Math and STAR Reading).
- \*\*Each district is required to administer at the beginning of seventh grade a reading instrument adopted by the commissioner to each student whose performance does not demonstrate reading proficiency.

Updates (7.27.2020):

- SSI Promotion Requirements for 5<sup>th</sup> and 8<sup>th</sup> grade are waived. Math and reading STAAR will be administered in May with no retest opportunities.
- Updated TEA Assessment Calendar: <https://tea.texas.gov/student-assessment/testing/student-assessment-overview/testing-calendars> (7.27.2020)
- Discussions have not been finalized at this time in regards to the usage of the extended state testing window. TBD.
- (7.30.2020) USDE approved waiver related to accelerated testers. Students in MS who take an EOC applicable course will only take the EOC eliminating the need for double testing.
