

**Birdville ISD
Purchasing Department**

DATE: February 8, 2019

SUBJECT: Addendum 2 for RFCSP #056-19 District Technology Solutions AV and IP PA

1. Replace the Pricing Sheet received on Addendum 1 with the attached document. Persons wishing to submit #056-19 District Technology Solutions AV and IP PA will have until 2:00 PM CST, February 19, 2019 to submit their proposal in writing to the Purchasing Department at 3124 Carson Street, Haltom City, TX 76117. Only sealed proposals will be accepted. Faxed, emailed and/or late proposals will not be accepted for any reason.
2. Miscellaneous "MISC" cost should be covered on the original specifications with the following summary of work statement:
 - Contractor shall furnish and install any, and all, necessary hardware to provide the finished solution such as, but not limited to:
 - Conduit sleeves and bushings
 - Ceiling grid and grid support rails (T-bar)
 - Patch cabling (network equipment side and end-point device side)
 - Wall anchors, surface mounted boxes, raceway latch duct, MPLS cutouts, and or any hardware needed for the installation

In order to get a non-budgeted price I've added line item 29 "Option pricing for legacy PA abatement" that doesn't calculate into the Campus Totals. This amount does not need to be included on the Proposal Pricing on page 37 Section VII.

Please sign and acknowledge Addendum 2. Return with the proposal or under separate sealed envelope.
