Introduction

The purpose of the Birdville Independent School District Procurement Card Program (P-Card) is to establish a cost-effective method of purchasing and paying for specific categories of expenditures, as defined within this document.

Birdville ISD has partnered with Bank of America to implement a P-Card program that meets the specific needs of the District and the participating departments, campuses and cardholders. The P-Card is a credit card tailored specifically for authorized business use only and has certain restrictions imposed as such. The P-Card provides various benefits, as follows:

- P-Cards simplify the purchasing process for authorized transactions and provide a convenience factor to the Cardholder, enabling the Cardholder to make a purchase at the actual time the need arises.
- The P-Card transaction provides process and cycle time savings by minimizing the number of documents, invoices, and checks processed for authorized P-Card purchases.
- Individual P-Card accounts can be programmed with pre-defined restrictions, ensuring that only transactions meeting the program criteria are allowed. Such restrictions help ensure compliance with budgetary, departmental, and purchasing policies and procedures.

The use of a P-Card as a purchasing method is a privilege and not a right, thus ALL regulations must be followed or the Cardholder may lose the privilege of having a P-Card.

The P-Card program is designed to <u>complement</u> our purchasing program by giving users some flexibility. Use of the P-Card must not circumvent or bypass the purchasing process. The Texas Education Code provides for criminal penalties for persons who intentionally circumvent the purchasing contract law by making split, separate, sequential or component purchases. District Policy CH (Local) states "Persons making unauthorized purchases shall assume full responsibility for all such debts."

The Procurement Card Guidelines provide general guidelines for using your P-Card. Please read it carefully. <u>Your signature on the Procurement Card Agreement shows that you understand</u> the intent of the program and agree to follow the established school district and departmental guidelines.

Obtaining a P-Card

A P-Card may be issued to permanent (full-time) employees of a department, campus and/or department (such as Athletics Department, Fine Arts, Haltom High School).

To obtain a P-Card and/or additional P-Cards a New P-Card Request Form (See Page 12) approved by the Budget Manager (Supervisor) must be submitted to the P-Card Administrator. Once the request is approved, the new cardholder and Budget Manager (if not already) must attend a mandatory P-Card training prior to obtaining P-Card.

Duties & Responsibilities

• <u>P-Card Administrator</u>

The P-Card Administrator is designated to oversee the administration of the program. The P-Card Administrator has a direct relationship with the bank. All new P-Card requests (Page 12) and P-Card Maintenance Form (Page 15) must go through the P-Card Administrator.

• Teacher, Sponsors & Card Users

The Teacher/ Sponsor or card user is responsible for filling out the Purchase Request Form (Page 13), making purchases approved on the Purchase Request Form and/or Purchase Order and providing original receipts to campus secretary.

• <u>Cardholder</u>

The Cardholder is the individual to whom the P- Card is issued by the P-Card Administrator. The Cardholder is responsible for following guidelines for purchases, selection of vendors (must be district approved vendors), security of card(s) and daily turning in of original receipts, retrieving any necessary credit(s), and giving an explanation of any unusual transaction.

• <u>Budget Manager (Supervisor)</u>

The Budget Manager (Supervisor) has overall budgetary responsibility for the assigned P-Cardholders and P-Card Users within their department and is responsible for following sound business practices, approving weekly P-Card Statements, and ensuring compliance with District policies and procedures. The Budget Manager (Supervisor) is responsible for retrieving P-Cards in the event of termination or change in employment status of a Cardholder under their supervision.

• <u>Secretary</u>

The Secretary will verify all transactions comply with the established policies and procedures, attach proper supporting documentation to transactions, allocate and release statements within one week of import date. Secretary is also the Cardholder for department/campus cards not assigned to individuals.

Controls

The P-Card program uses internal management controls to manage and audit the process to ensure that procedures are followed. Several controls are available to the District and may be implemented for each person that uses a district P-Card.

Spending Limits

All P-Cards have monthly credit limit as well as a single transaction limit. Limits vary for each Cardholder based on their position in the District or by department/campus. If a temporary or permanent increase is necessary the Budget Manager (Supervisor) must fill out the P-Card Maintenance Form (Page 15) and send to the P-Card Administrator or the Director of Purchasing for approval and processing.

Vendors

Merchant Activity Type Limits

Specific types of businesses are identified by a Standard Industrial Classification (SIC) Code, commonly referred to as Merchant Category Code (MCC). Based on the nature of some categories, specific MCC codes may be restricted for use on the card. If you have difficulty using your card with any particular vendor, please contact the P-Card Administrator to determine if the purchase is allowable.

Approved BISD Vendors

P-Card purchases must be from an approved vendor on the district's Approved Vendor List located on the purchasing website (Does not apply if using 865 & 890 funds). Vendors marked "NO" for P-Card use on the on the Approved Vendor List or vendors who do not accept P-Card are not allowed for P-Card purchases.

Please note that hotels, registration and field trip vendors are approved for P-Card purchases, but will not be listed on the Approved Vendors List. A W-9 from vendor will be required if not in Munis. Cardholder is responsible for obtaining W-9 for these vendors.

Cardholders must not make P-Card purchases from friends or relatives with whom Cardholder has a financial interest. Additionally, the Cardholder must not accept any gift or gratuity from any source when it is offered or appears to be offered, to influence your decision in making a P-Card purchase. The use of coupons, rebates, or rewards programs from vendors, banks, or other institutions that offer free/promotional items for the benefit of the Cardholder is not allowed when purchasing items with the P-Card. Any items received as a direct result of using the P-Card must be for the benefit of the District and are expected to remain on BISD premises. For example, an office supply vendor has a rewards program that allows a customer to earn free items based on accumulated points/dollars spent is not allowable.

Acceptable Purchases

All purchases made with the P-Card must be in compliance with District purchasing policies and procedures, for official BISD business, and must NEVER be used for personal purchases, regardless of the circumstances.

P-Card Sharing

Individual P-Cards

Only that person named on the P-Card is the authorized user. P-Card sharing is prohibited and will result in immediate termination of the P-Card and all P-Card privileges. P-Card sharing is the practice of allowing an individual other than the Cardholder whose name appears on the front of the P-Card to have access to the P-Card or P-Card number to initiate or complete a transaction. P-Card sharing increases the risk of fraud and Cardholder liability. Best practices to prevent fraud and misuse include NOT allowing an individual other than the Cardholder to:

- Have physical possession of the P-Card to make payments to point of sale vendors;
- Have access to the P-Card number and expiration date to make payments via telephone, internet, or in person;
- Have access to receipts or invoices that display the complete P-Card number and expiration date.

Department & Campus Cards

The campus/department secretary is responsible for the safekeeping of the P-Card and maintaining a detailed check-in and check-out log. For each P-Card user a signed Teacher, Sponsor & P-Card User Guidelines (Page 21) must be completed and on file for all users prior utilizing the P-Card. Only that person who has been issued P-Card by campus/secretary is the authorized user during that time. P-Card sharing is prohibited and will result in immediate termination of the P-Card and all P-card privileges.

Making P-Card Purchases

Always follow proper internal campus/department procedures for obtaining approval for P-Card purchases.

<u>Approval Procedure for Individual Cards</u> Must follow internal departmental procedures for all P-Card purchases

Approval Procedure for Campus P-Card

Purchase Request Form (Page 13) for purchases under \$500 or a P-Card Purchase Order for purchases over \$500.

Approval Procedure for Department Cards

Purchase Request Form (Page 13) for purchases under \$1,500 or a P-Card Purchase Order for purchases over \$1,500.

Approval Procedure for Department Activity Funds

Department Activity Funds Purchase Request Form (Page 14) for purchases under \$250 or a P-Card Purchase Order for purchases over \$250. The P-Card Purchase Order will be entered by Admin Assistant of the Associate Superintendent for Finance.

Placing Order

Once proper approval has been obtained for the P-Card purchase, the requestor may then place the order with vendor. Once order and invoice are received the P-Card may be issued for payment. All P-Card payments must be made after the goods/services have been received or at the time of purchase if in-store (See page 57 for Making P-Card Purchases Flow Chart).

Making Payment

Provide the vendor with any or all of the following information: card number, name, expiration date, billing address, billing phone number, and the three-digit credit card security/verification code. The billing address will be <u>3124 Carson St. Haltom City, TX 76117</u>. Payment should be made after the goods or services have been received or at the time of purchase if in-store.

Tax Exempt Status

Inform the vendor that the District is exempt from sales tax. If the vendor requests a tax exemption certificate, use the one provided in this Manual (Page 24). For hotels, please provide the hotel a Hotel Tax Exemption Certificate and letter from the Texas Comptroller (Page 25). If the P-Card User is charged Texas sales taxes, the P-Card User will be personally liable for reimbursement of the tax to BISD unless evidence of a credit is received from the vendor within 15 days of notification from the Purchasing Department. In lieu of obtaining the credit, the P-Card User may elect to reimburse the District for the sales tax. If sales tax is not refunded a P-Card Issue Notice (Page 16) will be issued.

Shipping Instructions

Give the merchant detailed shipping instructions which must include the following:

- 1. Your Name, Department Name
- 2. Building, Room Number
- 3. Street Address, City, State, Zip Code
- 4. Phone Number

P-Card purchases should be delivered directly to the individual P-Card User's place of work; otherwise, arrangements should be made to pick up the merchandise at the vendor's place of business. In instances where delivery must be through the warehouse, the Cardholder is responsible for immediately notifying the warehouse that goods are expected to arrive. <u>Items purchased</u> **should never be delivered to P-Card User's or someone else's personal address**.

Resolving Billing Errors and Disputes

The Cardholder/ P-Card User is responsible for resolving disputes with the vendor such as incorrect pricing, delivery problems, incorrect items received, damaged items, etc.

Most disputes can be resolved by calling the vendor and having them issue a credit back to the P-Card account. Never accept cash, store credits, or gift cards in lieu of a credit to the P-Card account. Contact the P-Card Administrator for guidance if a vendor insists on providing a credit in a form other than a credit back to the P-Card.

If the vendor fails to promptly credit your account, submit a P-Card Transaction Dispute Form (Page 18) to the P-Card Administrator within 30 days of the billing issue date. Document all correspondence including dates, individuals involved, and a brief description of the problem and keep this form in your records, filed with the expense report. The charge will need to be allocated regardless if it is being disputed. Once the credit is received, it will be returned to the same budget code.

Weekly Reconciliation Procedures

Reconciliation of the P-Card statements must occur on a <u>weekly basis</u>. Transactions are imported into Munis every Monday and Wednesday. P-Card Users are responsible for providing Secretary with itemized receipts. Secretary will then allocate and release all statements within a week of the import date.

The following must be completed when performing the reconciliation process:

1. <u>Transaction Attachments</u>

The following documents should be attached to each P-Card transaction in Munis

- Approved P-Card Purchase Request Form (If Applicable)
- Itemized receipt/invoice (Always required)
- Approved Travel Forms (If Applicable)
- Agenda and Sign-In Sheet (If Applicable)
- Packing Slip

2. Charge Description

The charge description must include the Vendor Sourcing and a short description of purchase or PO # (If applicable).

3. Budget Allocation and/or Purchase Order Liquidation

Budget code should be changed for all P-Card transactions. If there is a Purchase Order in place for the transaction, the Purchase Order will need to be liquidated. (See Allocation Instructions Page 42).

4. <u>Invoice Number</u>

Invoice number must be included to avoid double payment by the Accounts Payable department. If not provided by vendor, an invoice number should be created to reference purchase.

5. <u>Release of Statement</u>

Upon completion of allocation, upload receipts and other documents, and release the statement into workflow. The workflow will consist of the Budget Supervisor, Business Office or Accounting Office and Purchasing.

P-Card Issue & Warning Notices

Violations governing the use of P-Cards such as noncompliance with policies or procedures and misuse could result in disciplinary actions up to and including employment termination and civil and criminal charges. Violations of policies and procedures governing the use of the P-Card can and will result in a P-Card Issue Notice or P-Card Warning Notice. Any alleged violation or questionable transaction could result in an immediate suspension of card privileges pending a review to determine what, if any, action is appropriate. The Director of Purchasing and the P-Card Administrator have full authority to suspend a Cardholder's privileges. In specific circumstances, there may be a need for the District to apply more stringent actions than those outlined below. Such actions will be applied on a case-by-case basis, as deemed necessary.

P-Card Issue Notices

Initially a P-Card issue will result in a P-Card Issue Notice (Page 16) that will be sent to the P-Card User (Cardholder if not specified in Purchase Request Form). Budget Manager will also be notified of the P-Card Issue Notice sent to the P-Card User. Three P-Card Issue Notices will result in a P-Card Warning Notice sent to the Principal/Director (See Page 59 for Notices Flow Chart).

P-Card Warning Notices

Three P-Card Issue Notices will result in a P-Card Warning Notice sent to the Principal/Director. The P-Card Warning Notice will outline past and current P-Card issues. Two P-Card Warning Notices will initiate a review by the P-Card administrator and reported to the appropriate cabinet member.

Examples of Issues:

- Lack of documentation
- Unapproved purchase by Supervisor
- No P-Card Purchase Order (If required based amount)
- Payment of Sales Tax (Credit not received within 15 days of notification)
- Use of unapproved vendor without prior approval
- Violation of Policy and Procedures
- Splitting of Transactions
- Purchase of Fixed Asset item (Value greater than \$500.00)
- Purchases from Foreign Companies
- Purchasing unauthorized or restricted items
- P-Card Sharing
- Personal Purchases
- Cash Transactions
- Item purchased delivered to an address other than one that belongs to Birdville ISD
- Unapproved Travel

P-Card Administrator reserves the right to suspend a cardholder's P-Card privileges at any time if it is deemed to be appropriate, pending the completion of any investigation, or if the severity of the violation warrants such action.

Fraud, Waste & Abuse

The P-Card User and the Budget Manager (Supervisor) are responsible for ensuring that the District's assets are safeguarded from fraud, waste, and abuse. The Budget Manager (Supervisor) will seek restitution for any inappropriate charges made to the P-Card. Fraudulent or intentional misuse of the card will result in revocation of the card and/or possible criminal charges, including termination. Any employee who knowingly:

- Uses a P-Card for personal gain;
- Purchases items on such P-Card that are not authorized for purchase;
- Purchases items in violation of District policies and procedures; or
- Retains for such employee's personal use a rebate or refund from a vendor, bank, or other financial institution for a purchase or the use of a purchasing card shall be subject to immediate termination of employment, restitution for the amount of the improper purchases, and criminal prosecution.

A Cardholder's supervisor who knowingly, intentionally, willfully, or recklessly allows or who conspires with an employee who is issued a P-Card to violate any P-Card guidelines or District policies may be subject to immediate termination of employment and/or criminal prosecution, as determined by Human Resources. An employee may report improper activities through their supervisor, or to the Purchasing Department

Bank of America

The Following information will be helpful when the Cardholder, department or campus needs to contact Bank of America for issues such as changing the pin or any questions:

Verification Code

The verification code is needed by Bank of America when calling to make any changes or ask any questions. If you have misplaced your verification code, please contact your P-Card Administrator. For department and campus cards this code should not be shared with teachers/sponsors or other card users.

Pin Number

Personal Identification Number (PIN) is a unique number assigned by the cardholder or Supervisor for campus/department cards. The P-Card Administrator does not have access to this number.

Frequently Asked Questions

> How do I know if I need to liquidate a PO or allocate using budget code?

If you have a PO in place for a transaction in your p-card statement you will liquidate that purchase order. See P-Card PO Liquidation Instructions (Page 42). You can liquidate the PO multiple times if you have multiple transactions for the PO.

If you do not have a PO you will simply add your budget code to the transaction. See P-Card Allocation Instructions (Page 30).

> What happens if you do not liquidate a PO and just simply update the budget code? When you update the budget code and do not liquidate the PO you are now charging that budget code twice. It is very important to liquidate the purchase orders for those transactions.

> What if the vendor number on the transaction does not match the number on the PO? If the vendor number on the P-Card transaction does not match your PO please contact Purchasing Specialist.

If you are trying to liquidate your PO and the vendor number matches but the PO is simply not showing please contact Purchasing Specialist.

How often are transactions imported into Munis?

Transactions are imported into Munis every Moday and Wednesday .Transactions MUST be allocated and released within a week of the import date as stated on the Procurement Card Manual.

> Why do I need to change the Dep/Loc to PCARD starting July 2018?

By changing the Dep/Loc to PCARD Munis will create a requisition number starting with a different number than your regular purchase orders. This will not only help you differentiate your P-Card purchases from your regular purchase orders, but it will also help avoid purchasing from sending the PO to the vendor and the double payment of an invoice.

> Can my Assistant Principal sign off on the Purchase Request Form?

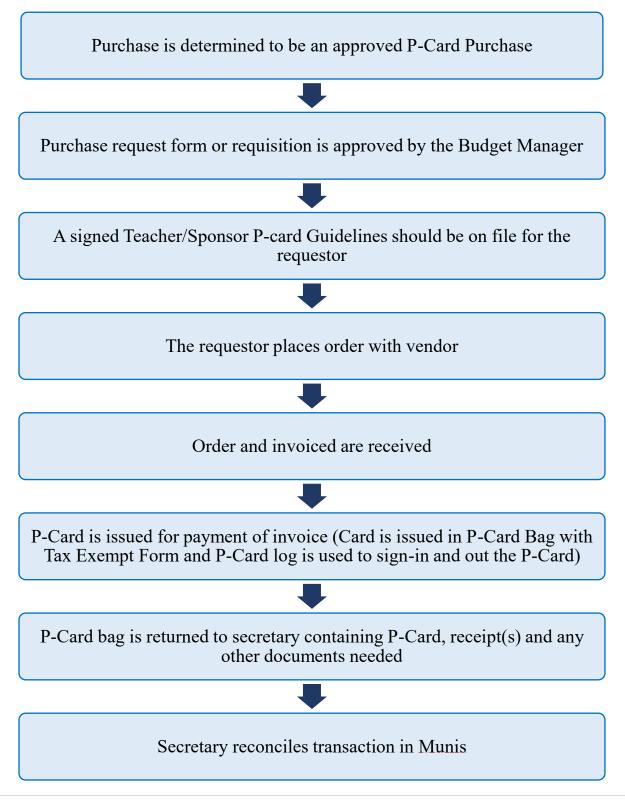

Yes, each Principal may elect to designate an Assistant Principal as a second approved for this form if they complete the P-Card training provided by Purchasing.

> Can the P-Card be used for per diem food expenses?

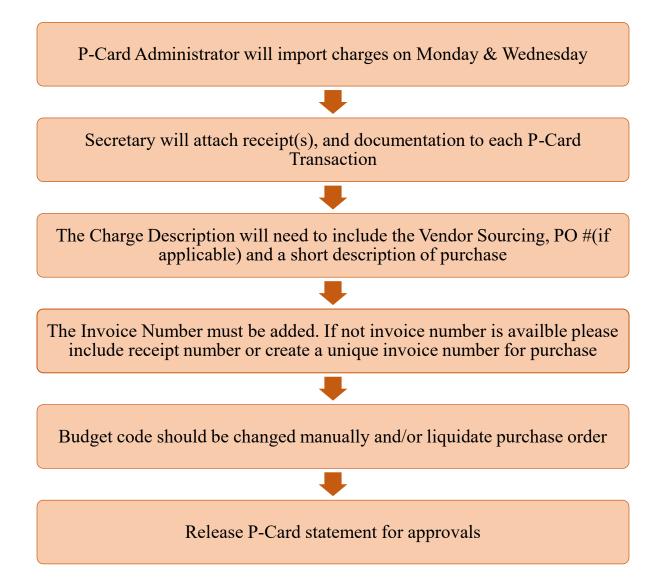

No, the P-Card can only be used for travel expenses such as hotel, parking and rental car.
