

CAREER AND TECHNOLOGY EDUCATION SCHOLARSHIP PROCEDURES

Purpose: To provide recognition and scholarships for students based on academic achievement and success in completing programs of Career and Technology Education

Eligibility: Senior students who are successfully completing at least one year in Career and Technology Education program(s) and who meet the following criteria:

- Active membership in a Career and Technical Student Organization (CTSO)
- Graduating Senior
- Completing at least 1 year in a CTE program
- Good citizenship in school and Academic Standing
- Be an active member of a career and technology student organization – provide documentation of activities such as: officer, committee chairperson, active projects/activities, participation in district, state, and national conferences – competition and/or voting delegate status

Application Deadline & Submission: **Tuesday, February 7, 2023**
Please email completed scholarship application to Allison Vinson, CTE Director.
Allison.Vinson@birdvilleschools.net

Scholarship Claiming Information

Career and Technology Education scholarships are \$1,600 and awarded \$400 per semester at a technical school, college or university.

A student may qualify for \$400 per semester provided that the student is enrolled in at least nine (9) hours of coursework per semester and maintains a 2.0 GPA on a 4.0 grading scale. To receive the first payment, it is the recipient's responsibility to furnish proof of payment for the semester, as well as a course schedule.

Please Send Information To:

*Birdville Center of Technology and Advanced Learning- Career and Technology Education Office
Attention: Lisa Carnes, CTE Administrative Assistant to CTE Director
7020 Mid Cities Blvd.
North Richland Hills, TX 76180
or email: Lisa.Carnes@birdvilleschools.net*

Each semester thereafter, the recipient shall furnish a copy of the grade report and course schedule in addition to receipt for payment of tuition and fees in order to receive continued funding. Attendance must be for consecutive semesters (excluding summer sessions).
