

# BHS FISH CAMP

AUGUST 7, 2021

**FISH CAMP** is the opportunity for incoming freshmen to get to know BHS and begin to make it feel like home.

## NEW FRIENDS

When you come to Fish Camp, you meet friends from middle school, but you also make new friends to start your high school experience off right!

## TOUR THE BUILDING

You will get to tour the building and feel more comfortable for your first day of school.

## FISH HEAD MENTORS

Our Fish Heads, who lead you at camp, will be available all year for you to reach out to when you need a mentor or friend to help you navigate the adjustment to high school life.

## HELLO--IT'S FUN

We work hard to make this a great experience for you because we want you to love being a BHS Hawk as much as we do! So don't miss this first taste of life here at BHS!!
