

# Haltom High School Project Celebration

Community Partners,

Haltom High School's Project Celebration Committee is seeking partnerships in the community. The planning for the 2015 graduating seniors after prom party has begun. The goal of this event is to provide an exciting, fast-paced, all-night party that is free of alcohol and drugs, where students can celebrate their achievement in a truly safe environment. Further, this is an all-night event that keeps our students off the roads on an evening that traditionally has a higher risk of motor vehicle accidents.

The entire evening is free to the graduating seniors and their dates. Students will enjoy many activities, music, dancing, games, food and prizes. All prizes are items that students can take to college, i.e. dorm room refrigerators, microwaves, laptops, printers, etc. This is the last big event for seniors before they graduate.

The Project Celebration Committee works endlessly to raise the funds necessary and gain the donations needed to pull off this event. All costs are covered by tax-deductible donations from individuals and businesses in our community. Although your philanthropy is requested by many individuals and organizations, we think you will agree that this community-directed event to keep our children safe is well worth supporting.

If you are interested in making a donation or partnering with the Haltom High School Project Celebration please detach the contribution form below and return it to the address listed. Your generous support will help make this event a success! The students who benefit from this event and the Haltom High School Project Celebration Committee thank you in advance for your consideration of a donation or partnership. Please feel free to contact us with any questions.

Sincerely,  
Haltom High School  
Project Celebration Committee
