Engineering: 1st place; Alexandra Serrato, 3rd place; Zachary DiPaula, Most Creative; Alexandra Serrato, Best Design; Tai Ha & TuongVy Ha, Best Teamwork; Maile DiPaula

Sponsor: Dana Harris

Birdville ISD Board of Trustees Meetings CTE Student Organizations Recognized

Automotive Technology

The Hot Rodders of Tomorrow Engine Challenge Dual National Championship was held in Las Vegas, Nevada, October 29-November 2, 2018 and the BCTAL Automotive Technology chapter had national success. 51 teams qualified for the 2018 Dual National Championship at the Specialty Equipment Market Association Show. The SEMA Show is the premier automotive specialty products trade event in the world. Hot Rodders of Tomorrow has 3 college partners, including the School of Automotive Machinists, Universal Technical Institute and Ohio Technical College, and together they offered over 4.2 million dollars in scholarship vouchers to the students who qualified for this national competition.

The BISD team from BCTAL consisted of Matthew Dages (BHS), Lane Freach (BHS), Matthew Blackwell (BHS), Christian Reich (RHS), and Jonathan Lomeli-Romero (HHS). They were recognized as national finalist in the Engine Challenge skill competition which required them to disassemble, and re-assemble a Briggs & Stratton engine with the fastest time, racing against other teams from across the country. The Hot Rodders of Tomorrow 2018 competition season consisted of 14 qualifying events in 11 states, in which over 700 students competed and learned about tools, torque specifications, and how to adjust valves with feeler gauges. The Engine Challenge competition included a written test and BCTAL finished 1st with the highest overall score. Our students were awarded over \$2000 each to pursue a post-secondary education in Automotive Technology.

The National Automotive Technology Competition, developed by the Greater New York Automobile Dealers was held in New York City, New York, April 23rd and 24th. This National competition is known as "The Grand daddy of them all" for high school students.

Christian Reich, Richland High School senior and Matthew Blackwell, Birdville High School senior, placed 5th in the nation in the competition that included a workstation knowledge & skills challenge and an oncar challenge where each team had an allotted amount of time to diagnose and repair a number of preassigned problems.

We attribute our students' successes not only to their hard work but to the dedication of outstanding teachers. It is a privilege to recognize Automotive Technology teachers **Olin Harrington**, **Jesse Hackfeld** and **Aaron Lescalleet**.

Career and Technology National Winners DECA

It is with great pride that we recognize BISD CTE students who have returned from competitions as national winners.

DECA is an international, co-curricular Career and Technical Student Organization of over 215,000 members with a mission to prepare emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe.

The international competition in Orlando consisted of 10,000 students from throughout the United States, the District of Columbia, Canada, China, Germany, Guam, Mexico, Puerto Rico and Spain with approximately 170 students competing in each event.

Birdville High School DECA students competed in a 20-page marketing research written project that included an oral presentation to industry judges.

The team of **Adam Jennings and Sammy Ward**, BHS Seniors, placed 1st internationally in the Sports and Entertainment Operations Research event. They competed against 194 of the top international teams. Adam is a third year marketing student and has won at state and competed on the international level all three years, including winning as an international finalist his sophomore year. This is Sammy's second year in marketing.

Adam and Sammy worked on their Sports and Entertainment Operations Research event extensively throughout the school year. They conducted marketing research, including creating and designing customer surveys, analyzing data and interviewing with American Airlines Center top executives. From their findings, Adam and Sammy created a marketing campaign for the American Airlines Center, called "Skip the Straw" to raise environmental awareness against plastic straw usage and created eco-friendly alternatives to better the environment. And finally, as a special feature of their presentation to the judges, they showed a video of Mark Cuban personally endorsing their campaign to "Skip the Straw!"

We attribute our students' successes not only to their hard work but to the dedication of outstanding teachers. It is a privilege to recognize Marketing teachers from Birdville High School, **Emily Shipman** and **Chad Lewis.**

Career and Technology National Winners SkillsUSA

The 55th Annual National Leadership and Skills Conference for SkillsUSA was held in Louisville, Kentucky, June 24-28, with more than 16,000 students, teachers and business partners. The BCTAL chapter had national success in all of the events in which they competed.

Elizabeth McLane Collins, an 11th grade Cosmetology student from BHS, represented Texas and placed 2nd out of 42 competitors from other states in the Customer Service competition that included a written certification test and demonstrating competency in real-world customer service scenarios. As a 2nd place national winner, McLane received a full scholarship to attend Sullivan University, a Kindle Fire tablet and a \$50 gift card.

Matthew Dages, an 11th grade Automotive Technology student from BHS, represented Texas in the Marine Service Technology competition and placed 3rd out of 28 competitors from other states winning a bronze medal. This competition included a written test and utilization of service, electrical and diagnostic parts' manuals, and demonstration of technical skills performed on a marine engine. As a 3rd place national winner, Matthew received scholarship money and tools of the trade.

Christian Reich, recent graduate from RHS and BCTAL Automotive Technology student, represented Texas and placed 13th in the Automotive Service Technology competition in which he demonstrated competency and skills based on the task list outlined by the National Institute for Automotive Service Excellence and the National Automotive Technicians Education Foundation. There were 13 skill stations which consisted of on-vehicle, simulations, bench and component testing and a written test.

Mafdy Ghaly, recent BHS graduate and BCTAL Health Science Technology student, represented Texas and placed 3rd overall in the Practical Nursing Competition which included a written test and demonstrating competency in 10 different technical skill stations which are unknown to the student beforehand. As a 3rd place national winner, Mafdy received a \$20,000 scholarship to attend Sullivan University and some nursing equipment.

We attribute our students' successes not only to their hard work but to the dedication of outstanding teachers. It is a privilege to recognize Automotive Technology teachers Olin Harrington, Jesse Hackfeld, and Aaron Lescalleet; Cosmetology teacher Shawndelle Harrington; Health Science teacher Sharon Leon.

Career and Technology National Winners

Educators Rising/Texas Association of Future Educators

Congratulations to the Birdville High School Educators Rising/Texas Association of Future Educators members who competed in the Educators Rising National Conference held June 22 - 25 at the Hyatt Regency Hotel in Dallas, Texas.

Rising senior <u>Jessica Rivas</u> placed 3rd overall in Exploring Non-Core Subject Teaching Careers. Jessica's future involves becoming a bilingual educator, so she selected Terri Wilson, Birdville High Spanish teacher and BISD Lead World Languages teacher, to shadow for a minimum of 8 hours. After conducting an extensive interview with Ms. Wilson, Jessica researched what world language teachers typically do in this profession. She presented her shadowing experience, interview, and research via a slide deck to a panel of judges. Following her 7-minute presentation, Jessica was involved in a discussion that featured questions from the judges.

Rising senior <u>Amira Taha</u> placed 6th overall in Exploring Education Administration Careers. Amira selected her Birdville High principal, Jason Wells, to job shadow for a minimum of 8 hours. She conducted an interview about his profession, then researched what principals' duties throughout the U.S. typically entail. She prepared a slide deck presentation of her findings, which were presented to a panel of judges and followed by a discussion featuring questions from the judges.

Both Jessica and Amira were also recognized during the Closing General Session and Awards Celebration for their membership in the Educators Rising National Honor Society, which is based on GPA, active participation in Educators Rising, service and character.

Both girls are interns in the Education and Training program at Birdville High School. They both plan to become teachers. The Birdville High School Educators Rising/Texas Association of Future Educators teacher leader is **Karen Kallas**.

CTE National Recognition – Haltom HS Journalism Recognized at Columbia University

The 2018 Haltom Buffalo Yearbook was awarded the Columbia Scholastic Press Association Silver Crown Award at Columbia University in New York City this past March.

The Crown Award honors excellence in student publications from the 2017-2018 academic year and are chosen from the Columbia Scholastic Press Association's members. Crown Awards are selected for overall excellence in design, photography, concept, coverage and writing. Out of 1,172 publications that were eligible for judging, the Haltom High School Buffalo Yearbook was selected as a Finalist and earned the Silver Crown Award.

It is indeed a privilege to recognize six Haltom High School students who were able to accept the national award on behalf of the 2018 Haltom Yearbook staff. This is a prestigious award and the first for Haltom High School.

Victoria Cervantes – Second year journalism student

Jasmine Chavira – Third year journalism student

Steve Feuay – Second year journalism student

Rosa Garcia – Second year journalism student

Aryanna McCrary – Second year journalism student

Joseph Valencia – Second year journalism student

Students achieve national recognition because of dedicated teachers. It is a privilege to recognize the journalism teacher from Haltom High School, **Ashley Stewart**.

These students are the perfect example of a BISD Portrait of a Graduate. These relevant events and the rigorous competitions showed that they exhibit competence as empowered learners, responsible citizens, global competitors and innovative entrepreneurs.

CTE Graduation Rate

Student Certifications & Licensures Earned by Campus

HHS - Hallom High School

RHS - Richland High School BHS - Birdville High School BCTAL - Birdville Center of Technology and Advanced Learning

SHS - Shannon High School

Vision Statement:

Birdville ISD CTE students will exceed state and national standards in all subject areas, as well as earn nationally recognized industry certifications across all career pathways.

SMART Goals:

In 2018-2019, CTE STAAR performance in all subject areas will exceed 90% passing. In 2018-2019, industry certifications and licensures will increase by 10% in order to prepare students to be college and career ready

Indicators:

CTE STAAR performance Nationally recognized industry licensures and certifications

Measure:

STAAR End of Course Exams Perkins Program Effectiveness Report

3034 certifications and licensures were earned in 2018-2019 and the CTE target for 2019-2020 is 3337 a 10% increase in student certifications and licensures earned.

2018-2019 Certifications & Licensures - TOTAL 3034

ASSURANCE OF NONDISCRIMINATION

No student shall be denied the right to participate in any school program, education service, or activity because of the student's race, religion, sex, national origin or disability. The district has designated Skip Baskerville to coordinate its efforts to comply with the nondiscrimination requirements of Title IX of the Education Amendments of 1972 as amended, and Section 504 of the Rehabilitation Act of 1973 dealing with rights of students with disabilities. All complaints shall be handled through established channels and procedures beginning with the building principal, followed by appeal to the Administrative Assistant for Community, Parent, and Student Concerns and finally the Board of Trustees. The Birdville Independent School District does not discriminate on the basis of a disability by denying access to the benefits of District services, programs, or activities. To request information about the applicability of Title II of the Americans with Disabilities Act (ADA), interested persons should contact John Hughes at (817) 547-5844...
