## Seussical

November 1 @ 7 p.m. November 2–3 @ 2:30 p.m. Birdville HS Auditorium

The Cat in the Hat tells the story of Horton, an elephant who discovers a speck of dust that contains the Whos, including Jojo, a Who child sent off to military school for thinking too many "thinks." Horton faces a double challenge: not only must he protect the Whos, but he must guard an abandoned egg, left in his care by the irresponsible Mayzie LaBird. Although Horton faces ridicule, danger, kidnapping and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant.

This unconventional new musical by Drama Desk Award nominees Neil Bartram and Brian Hill is a joyous and moving look at our surprisingly interconnected lives. Through a seemingly unrelated collection of songs, scenes and monologues, *The Theory of Relativity* introduces a compelling array of characters experiencing the joys and heartbreaks, the liaisons and losses, the inevitability and the wonder of human connection. Whether you're allergic to cats, in love for the first or tenth time, a child of divorce, a germaphobe, or simply a unique individual, you're sure to find yourself in this fresh new musical!

*Curtains* is a musical mystery comedy based on the original book and concept by Peter Stone. The musical is a send-up of backstage murder mystery plots, set in 1959 Boston, Massachusetts and follows the fallout when Jessica Cranshaw, the supremely untalented star of *Robbin' Hood of the Old West*, is murdered during her opening night curtain call. It is up to Lt. Frank Cioffi, a police detective who moonlights as a musical theater fan to save the show, solve the case, and maybe even find love before the show reopens, without getting killed himself. Cioffi also dreams of being in musical theater.
