School Processes & Programs

School Processes & Programs Summary

Programs and processes in place at Birdville High School are: Leaders of Learners program, CIR / Rigor Walks, Continuous Improvement, BOLD Literacy, CORE Value program, Canvas Learning Management System.

School Processes & Programs Strengths

Our Leaders of Learners team is a strength for our campus. This group of teacher leaders help to monitor the Continuous Improvement initiatives on our campus through LOL training provided by our district and also from campus visits to other high performing schools within our campus comparison group.

Our CORE Value program is a strength for our campus, and this year we are adding the Character Strong curriculum. We recognize students each six weeks at our "Outstanding Students of the 6 Weeks" breakfast recognition ceremony... and students are recognized for exhibiting a particular CORE value of the 6 weeks. Family members attend these recognition ceremonies and this program has grown into a positive strength for our campus over the past several years.

Another strength is our special services programs. We serve students with OHI, auditory/visual/deaf impairments, intellectual & learning disabilities, and autism. We have a program called "Birdville Buddies" where we partner a general education student with a special education student and it is a highlight of our campus, without a doubt! This program grows in popularity every year (indicated by the increasing number of students that want to join Birdville Buddies) and we are so thankful for the inclusive environment this program has brought to our campus.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: BOLD Literacy is a continuing initiative this year that needs to build through increased training of our staff. **Root Cause:** Students reading below grade level
