Comprehensive Needs Assessment

Demographics

Demographics Summary

Hardeman Elementary is a Title I school that served 612 students Pre-k-5th grade during the 2021-2022 school year. Our demographics are displayed in detail below.

- Title I Campus located in north end of Birdville ISD
- Serves approximately 612 students
 - PreK – 5th Grade
 - AABLE and ACCESS Special Education Program
- Student ethnicity
 - 43% White
 - 31% Hispanic/Latino
 - 9% African American
 - 12% Asian
 - 4% Two or more
 - 1% Pacific Islander
- 59% of students are Economically Disadvantaged
- 52% of students are identified as at risk
- 100 students are Limited English Proficient
- 100 students are served in EL Program
- 108 students are served in Special Education
- 30 students are served in Advanced Academic Program
- 50 students are served through dyslexia program
- 48 students are served under section 504
- 100% staff meet federal highly qualified requirements

Demographics Strengths

In looking at the data, Hardeman has seen a decrease in gifted and talented students going from 10% to 5% in the last ten years. Additionally, we have seen an increase in our special education percentages going from 10% to 17% in that same time period. Our teachers have continued to learn and implement instructional strategies that have allowed our students to continue to perform at high levels on the state assessments and in comparison with our comparable schools.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): According to the 2022 state accountability report on Closing the Gaps, our area for targeted support is the percentage of Asian students reaching the meets expectation level on reading and math STAAR is below the target percentage. In 2022, 68% were at meets or above in reading, where the target is 74%. In 2022, 68% of our Asian students were at the meets level in math, where the target was 82%. **Root Cause:** The majority of students in this subgroup are part of the EL subgroup as well.

Problem Statement 2 (Prioritized): According to the 2022 state accountability report on Closing the Gaps, our area for targeted support is the percentage of White students reaching the meets expectation level on math STAAR is below the target percentage. In 2022, 56% were at meets or above in math, where the target is 59%. **Root Cause:** Students are recovering from "COVID gaps" but still need time to close the learning gaps.

Problem Statement 3 (Prioritized): According to the 2022 state accountability report on Closing the Gaps, our area for targeted support is the percentage of Asian students reaching the Student Success Status on STAAR is below the target percentage. In 2022, 64% reached the required STAAR Component Score, where the target is 73%. **Root Cause:** The majority of students in this subgroup are part of the EL subgroup as well.

Student Learning

Student Learning Summary

In reviewing the Fountas and Pinnell BAS assessment to determine the reading level and growth of each student, we saw a dramatic drop of the percentage of students ending the year on level post COVID. However in 2022 we increased the percentage of students ending on grade level by 3% in kindergarten, 18% in 1st grade, and 4% in 2nd grade.

When examining STAAR math data we had a similar drop post COVID. However in 2022 we increased the passing rate by 3% in 3rd grade, 2% in 4th grade, and 10% in 5th grade.

Similarly, in STAAR reading data we had a similar drop post COVID, but in 2022 we increased the passing rate by 11% in 3rd grade, 11% in 4th grade, and 4% in 5th grade.

Our 5th grade STAAR Science data followed the same pattern, and in 2022 we had 84% of students approaching grade level, 62% of students meet grade level, and 36% of student master grade level.

Based on overall STAAR performance our campus received a grade of 89 and 3 distinctions from the state.

The English Language Proficiency Status target measure set by the state for the TELPAS progress measure is 36%. In 2020-2021 Hardeman Elementary School met the target with a TELPAS progress rate of 54%. In 2021-2022 Hardeman Elementary School again met the target with a TELPAS progress rate of 46%. In comparing the progress rate from 2021 and 2022, Hardeman Elementary demonstrated a 8% point decrease in students' English language development.

Student Learning Strengths

Every grade level increased the percentage of students passing STAAR in every subject area, resulting in a grade of 89 for our campus overall and 3 distinctions.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): 4th Grade math is an area of weakness based on STAAR results. **Root Cause:** We plan to increase supports in those classrooms through intervention, professional learning, and coaching.

School Processes & Programs

School Processes & Programs Summary

Students at Grace E. Hardeman Elementary are served by a number of specialized programs related to student need. fifty-nine percent of students are served by the free/reduced lunch program and 100 students are English language learners (ELs), served by bilingual PK or English language learner (EL) programs. Currently, 108 students are served through special education which includes four self-contained programs for the cluster, and 30 students are served through the gifted and talented program.

The academic RtI program serves students in grades K through 5 in both reading and mathematics as well as behavior. Students are identified for tiered intervention services using data from universal screeners administered three times each year and through consideration of other performance evidence by a collaborative conference committee. The specific services provided for students on Tiers 2 and 3 are outlined in the district RtI Manual, which is updated annually to reflect programmatic changes in screening assessments and interventions.

Performance data suggest that the RtI program has been successful in moving student off of tiered interventions.

School Processes & Programs Strengths

Student performance has continued to show growth each year based on STAAR scores. We continue utilizing PLC's and RTI meetings to identify student needs and give them the services they need. We have strong committees in place to address and solve problems across the campus. We give all staff input to address strengths and areas of need. We are good at utilizing PLCs and RTI meetings to identify student needs and give them the services they need. We have strong committees in place to address and solve problems across the campus. We give all staff input to address strengths and areas of need.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: We have seen an increase in need regarding social emotional issues with students due to strains of pandemic. We must address behaviors and concerns through implementation of Conscious Discipline school wide. **Root Cause:** Students and families have struggled emotionally and academically due to missed learning time, struggles at home, and unpredictable times.

Perceptions

Perceptions Summary

The campus collects data on a regular basis from parents and staff regarding their perceptions of campus programs and procedures. The campus is also involved with the district survey on school safety issues. Data collected included perceptions of parent involvement and school safety issues. 91% of parents who responded to the survey reported they feel their child is safe at school. 100% of staff reported that they feel our campus is safe for staff and students.

Our campus offers ample parent engagement opportunities throughout the school year, and we saw an increase in participation this school year.

We will continue surveying parents this year and involving them in the decision making process.

Perceptions Strengths

The Hardeman staff, students, and parents feel like a school family. The majority feel like they are an integral and valued part of our campus. Parents report they are proud to be a part of the Hardeman community and feel that the school meets the needs of their students. They describe the school as having a family feel and caring staff members. We have an active and involved PTA and Watch DOG program from whom we receive regular feedback. We also conduct parent surveys each year.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: We have a large number of students entering our school with high levels of emotional upset and aggressive behaviors. **Root Cause:** Lack of social emotional and executive skills on the part of students, and lack of direct instruction in those areas.

Priority Problem Statements

Problem Statement 2: According to the 2022 state accountability report on Closing the Gaps, our area for targeted support is the percentage of Asian students reaching the meets expectation level on reading and math STAAR is below the target percentage. In 2022, 68% were at meets or above in reading, where the target is 74%. In 2022, 68% of our Asian students were at the meets level in math, where the target was 82%.

Root Cause 2: The majority of students in this subgroup are part of the EL subgroup as well.

Problem Statement 2 Areas: Demographics

Problem Statement 1: 4th Grade math is an area of weakness based on STAAR results.

Root Cause 1: We plan to increase supports in those classrooms through intervention, professional learning, and coaching.

Problem Statement 1 Areas: Student Learning

Problem Statement 3: According to the 2022 state accountability report on Closing the Gaps, our area for targeted support is the percentage of White students reaching the meets expectation level on math STAAR is below the target percentage. In 2022, 56% were at meets or above in math, where the target is 59%.

Root Cause 3: Students are recovering from "COVID gaps" but still need time to close the learning gaps.

Problem Statement 3 Areas: Demographics

Problem Statement 4: According to the 2022 state accountability report on Closing the Gaps, our area for targeted support is the percentage of Asian students reaching the Student Success Status on STAAR is below the target percentage. In 2022, 64% reached the required STAAR Component Score, where the target is 73%.

Root Cause 4: The majority of students in this subgroup are part of the EL subgroup as well.

Title I

1. Comprehensive Needs Assessment (CNA)

1.1: Comprehensive Needs Assessment

The Comprehensive Needs Assessment was completed in June 2022 based on spring survey feedback, STAAR achievement, TELPAS and universal screener results, attendance and behavior data compiled in April and May of 2022.

2. Campus Improvement Plan

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Campus Improvement Plan was developed through the input and involvement of the following:

Katie Moran - Principal

Jed Carletonn - Assistant Principal

Diana Lewis, Melissa Tate, Melissa Garner, Chris Pool, Megan Gant, Alyssa Butler, Lauren Tidwell, and Shannon Bragg - Teachers

Jaelyn Riski - Instructional Coach and District Professional

Carolyn Ezell and Luvert Hollis - parents

Brent Johnson and Jack Bailey - community members

Jeremy Garner and Amy Teplow - business representatives

2.2: Regular monitoring and revision

The Campus Improvement Plan is revised and evaluated in November, January, March, and June.

2.3: Available to parents and community in an understandable format and language

The Campus Improvement Plan is made available to parents and the public through the campus website in English and other languages as practicable. The plan is also available through the district website in English, and a printed copy may be requested in the campus front office.

2.4: Opportunities for all children to meet State standards

Through the Campus Needs Assessment, 64.95% of students were identified as at-risk based on one or more of the following criteria:

1. low performance on a readiness test or assessment instrument
2. semester failure of two or more academic subjects
3. grade retention
4. lack of satisfactory performance on state-mandated testing
5. pregnancy or parenthood
6. placement in an alternative education program
7. expulsion
8. parole, probation, deferred prosecution, or conditional release
9. drop out status
10. limited English proficiency
11. custody or care of the Department of Protective and Regulatory Services
12. homelessness
13. residing in detention, substance abuse treatment, emergency shelter, psychiatric, halfway house, or foster group home

2.5: Increased learning time and well-rounded education

Additional assistance will be provided to these students through specialized instructional support, mentoring, social-emotional learning programs, tiered interventions, and professional development for teachers to improve their effectiveness.

2.6: Address needs of all students, particularly at-risk

Student learning will be supported through research-based instructional strategies such as:

- Whole Child Initiative
- Conscious Discipline
- Workshop Model

- Sheltered Instruction
- Leveled Literacy Intervention
- Social Skills Training

Increased learning time is provided through pullout intervention programs and targeted tutorials.

3. Annual Evaluation

3.1: Annually evaluate the schoolwide plan

Student enrollment, attendance, and success will be supported through targeted support programs that address the specific needs of our at-risk student population, as well as schoolwide incentive programs, individual and class recognitions, two-way communication between the school and home, and parent and family engagement activities.

4. Parent and Family Engagement (PFE)

4.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Plan was developed through the input and involvement of the following:

Katie Moran - Principal

Jed Carletonn - Assistant Principal

Diana Lewis, Melissa Tate, Melissa Garner, Chris Pool, Megan Gant, Alyssa Butler, Lauren Tidwell, and Shannon Bragg - Teachers

Jaelyn Riski - Instructional Coach and District Professional

Carolyn Ezell and Luvert Hollis - parents

Brent Johnson and Jack Bailey - community members

Jeremy Garner and Amy Teplow - business representatives

The Parent and Family Engagement Plan is made available to parents and the public through the campus website in English and other languages as practicable. A printed copy is provided during the fall Title I meeting, and by request in the campus front office.
