Comprehensive Needs Assessment

Revised/Approved: September 30, 2022

Demographics

Demographics Summary

The number of renters as opposed to homeowners in our Richland Middle School attendance zone accounts for much of our mobility. Many of the students have gaps in their schooling associated with moving and it is difficult to assess quickly the academic capabilities of these students.

In addition to the mobility rate, we have a large population of Economically Disadvantaged and at Risk students who come to us with educational gaps. Approximately 24% of the students on campus are designated Special Education and over 26% limited English proficient students. With the increase in our Hispanic and Black/American population Richland Middle School will utilize resources to prepare and accommodate new students to ensure we are providing the best education for them, both socially and academically.

Student Population 2022 (CY=Current Year/PY=Previous Year)

- Grade 6: CY - 239; PY - 203; Change: +36
- Grade 7: CY - 211; PY - 212; Change: -1
- Grade 8: CY - 231; PY - 240; Chan42: -9
- Total Student Population Change: +26 students

Ethnic Distribution

- African American: CY - 20.95%; PY - 21.53%; Change: -0.58%
- Hispanic: CY - 49.85%; PY - 48.55%; Change: +1.30%
- White: CY - 22.48%; PY - 23.21%; Change: - 0.73%
- American Indian: CY - 0.76%; PY - 0.76%; Change: -0.00%
- Asian: CY - 1.07%; PY - 0.92%; Change: +0.15%
- Pacific Islander: CY - 0.31%; PY - 0.45%; Change: -0.14%
- Two or more races: CY - 4.59%; PY - 4.58%; Change: -0.01%

Economically Disadvantaged: CY - 78.59%; PY - 76.35%; Change: +2.24%

Emergent Bilingual (EB): CY - 27.4%; PY - 24.1%; Change: +3.30%

At-Risk: CY - 65.90%; PY - 59.97%; Change: +5.93%

Mobility rate was 20.9%

Demographics Strengths

We had increases demographically in the Hispanic and EB populations. The district has provided support in personnel to meet these needs. The district has also provided beginning of the year training to assist our core departments with techniques when working with EB students. This will be an ongoing process to work with the district of training and support. We will be strategic in utilizing PLC time to provide continuing SIOP training for staff at RMS.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Filling the academic gaps of children could pose a problem in the academic level classrooms. RMS had an increase in it Economically Disadvantaged, At-Risk, and Emergent Bilingual populations . Along with this increase RMS had a decrease in the white population. These are all areas of need for improvement. **Root Cause:** When almost 20% of your population is mobile, you are combining a variety of learning styles and teaching methods into one classroom. This poses opportunities for our teachers to find ways to meet the children where they are before moving students to the levels of those children who have attended schools for a number of years.

Student Learning

Student Learning Summary

Richland Middle School showed gains in several areas in 2022. Both 6th grade math and 8th grade reading continued to improve with an overall 80% Approaches Grade Level score. While 8th grade social studies has been a problem area, scores showed growth in 2022 with a 7% improvement in Approaches Grade Level and an 11% improvement with Emergent Bilingual students. The 8th grade science test also showed improvement in Emergent Bilingual students with an 18% increase in Approaches Grade Level.

We have identified some focus areas for Richland Middle School. In 5 of the 8 tests, the overall passing rate for Special Education students decreased. While the Approaches Grade Level improved on 5 of the tests, the Meets Grade Level has decreased in 4 of the 8 tests.

The English Language Proficiency Status target measure set by the state for the TELPAS progress measure is 36%. In 2020-2021 Richland MS School did not meet the target with a TELPAS progress rate of 23%. In 2021-2022 Richland MS School again did not meet the target with a TELPAS progress rate of 28%. In comparing the progress rate from 2021 and 2022, Richland MS demonstrated a 5% point increase in students' English language development.

Student Learning Strengths

RMS experienced tremendous gains during the 2021/2022 school year overall and across all sub populations. Both Special Education and EB students had impressive gains through all grades and subject areas. A big celebration was our Resource Reading scores where Kim Smith our resource teacher was able to bring home gains at all three grade levels. Another celebration was our Algebra I teacher, Stacy Howell, was able to reach 100% of the student reach Approaches. This will be good as we strive to wipe out all of our Targeted areas that have been identified by the state and federal governments.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): There are still several areas below a 50% Approaches Grade Level Pass Rate in our EB populations. Also in our white population we failed to meet our Target for the meets category in both Reading and Math. Due to COVID 19 this is an ongoing concern that will be measured in the 2023 school year. **Root Cause:** Our EB population accounts for approximately 27 percent of our population and our teachers are still not proficient in sheltered instruction strategies and many of the teachers have only had partial training in sheltered instruction

Problem Statement 2 (Prioritized): There are still several areas below a 50% Approaches Grade Level Pass Rate in our Special Education populations. Due to COVID 19 this is an ongoing concern that will be measured in the 2023 school year. **Root Cause:** These students are usually two to grade levels behind academically. We are hoping to move more candidates out into inclusion classes instead of resource where appropriate.

School Processes & Programs

School Processes & Programs Summary

This year there were very few turnovers in the teaching staff. This in large part is due to many teachers now feeling like Richland Middle School is their home and calling. Mentor teachers are assigned to everyone who is new to RMS. This year we are having numerous people present to the faculty their Best Products. We are celebrating successes with individualized recognition in staff meetings. Teachers are expected to serve on at least one committee so that everyone has a positive say in the RMS way.

We also house the ACCESS and AABLE student units on our campus. ACCESS deals with student who are severely handicapped mentally, emotionally and physically. Although many of our children are mobile this year, they do have different mobility issues. AABLE houses our children who would fall in the upper Life Skills category. Some of them have out classes while others are totally self contained.

School Processes & Programs Strengths

The teachers are committed to the Houses evolving into a true success story. The House Committee has planned an amazing first community day for our students. It involved team building, school spirit, one word activities to describe themselves and even a pep rally. Kids seem to be anxious about earning points for their houses so that they win the nine weeks prize. Everyone has been a good sport and participated well.

The teachers also had their own form of team building during staff development. Teachers were partnered in groups of four and asked to do a scavenger hunt within our school zone. This helped to bond them even further so that the start of the school year was seamless and to understand the students/community we serve.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Although there have been amazing events during the 2021/2022 school year most of them cancelled at the last minute due to COVID 19 sanctions. Due to COVID 19 this is an ongoing concern that will be measured in the 2023 school year. **Root Cause:** Events were developed and executed early in the year yet due to COVID 19 sanctions late fall and spring events had to be cancelled.

Perceptions

Perceptions Summary

The way the faculty likes to describe themselves is that they are like family and have pulled together through several principals and varying staff personalities. They are proud to be at RAM Nation and want the students, school and community to thrive. They also want to change the perception that they are the most difficult school in BISD. They are willing to follow leaders to the point of clarifications as long as the end goal is understood. Most teachers have attended several meetings prior to the start of school to ensure that everything ran smoothly.

Perceptions Strengths

There is a strong sense of trust on this campus between most teachers and the administration. This was evident in that staff turn over was at it's lowest in three years. Teachers also have full buy-in with lessons in leadership. RMS has been able to bridge the social emotional gaps, bring about mental health awareness, and overall security of our students. Finally, their sphere of influence on how things work at RMS seems to be in an equal balance.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): As stated before due to COVID 19 community and student involvement is low and almost non-existent. This is an ongoing concern that will be measured in the 2023 school year. **Root Cause:** Events were developed and executed early in the 2021 year yet due to COVID 19 sanctions late fall and spring events had to be cancelled.

Priority Problem Statements

Problem Statement 2: Filling the academic gaps of children could pose a problem in the academic level classrooms. RMS had an increase in it Economically Disadvantaged, At-Risk, and Emergent Bilingual populations . Along with this increase RMS had a decrease in the white population. These are all areas of need for improvement.

Root Cause 2: When almost 20% of your population is mobile, you are combining a variety of learning styles and teaching methods into one classroom. This poses opportunities for our teachers to find ways to meet the children where they are before moving students to the levels of those children who have attended schools for a number of years.

High Priority

Evaluation Data Sources: The House leaders will notify administration anytime that teachers are not participating in the RMS House Point System and Capturing Kids Hearts. Those individuals will have private conversations to encourage them to participate in this activity.
Students will have a stronger sense of belonging to RMS which will be measured by a reduction in discipline slips and suicide attempts. Administration will do weekly walks to ensure that the Character Strong Curriculum is utilized with fidelity.

Performance Objective 3 Problem Statements:

School Processes & Programs
Problem Statement 1: Although there have been amazing events during the 2021/2022 school year most of them cancelled at the last minute due to COVID 19 sanctions. Due to COVID 19 this is an ongoing concern that will be measured in the 2023 school year. **Root Cause**: Events were developed and executed early in the year yet due to COVID 19 sanctions late fall and spring events had to be cancelled.
Perceptions
Problem Statement 1: As stated before due to COVID 19 community and student involvement is low and almost non-existent. This is an ongoing concern that will be measured in the 2023 school year. **Root Cause**: Events were developed and executed early in the 2021 year yet due to COVID 19 sanctions late fall and spring events had to be cancelled.

Goal 2: The system will utilize efficient and effective operations to support and improve the learning organization.

Performance Objective 1: Increase the annual total average daily attendance (ADA) as compared to the prior school year, through improved student retention, recruitment, and days in attendance. Due to COVID 19 this is an ongoing concern that will be measured in the 2023 school year.

    High Priority

    Evaluation Data Sources: Richland Middle School will utilize a student committee to provide rewards to students with perfect attendance in hopes that we can raise our ADA from 92% to 95%.

Performance Objective 1 Problem Statements:

Demographics
Problem Statement 1: Filling the academic gaps of children could pose a problem in the academic level classrooms. RMS had an increase in it Economically Disadvantaged, At-Risk, and Emergent Bilingual populations . Along with this increase RMS had a decrease in the white population. These are all areas of need for improvement. **Root Cause**: When almost 20% of your population is mobile, you are combining a variety of learning styles and teaching methods into one classroom. This poses opportunities for our teachers to find ways to meet the children where they are before moving students to the levels of those children who have attended schools for a number of years.

Goal 2: The system will utilize efficient and effective operations to support and improve the learning organization.

Performance Objective 2: Use continuous improvement to identify and improve operations and outcomes in every department and campus. This is an ongoing concern that will be measured in the 2023 school year.

  Evaluation Data Sources: Continuous Improvement PDSA charts will be one of the items that we look for in every room during T-TESS observations and Walk-Throughs.

Also in our white population we failed to meet our Target for the meets category in both Reading and Math. Due to COVID 19 this is an ongoing concern that will be measured in the 2023 school year. **Root Cause**: Our EB population accounts for approximately 27 percent of our population and our teachers are still not proficient in sheltered instruction strategies and many of the teachers have only had partial training in sheltered instruction

Goal 3: All students and staff will learn and work in a safe and responsive environment reaching a 95% approval rating on a district provided survey. This is an ongoing effort that will be measured in the 2023 school year.

Performance Objective 1: Increase the percentage of students and staff who report feeling safe at school.

Title I

1. Comprehensive Needs Assessment (CNA)

1.1: Comprehensive Needs Assessment

The Title I, Part A Campus Improvement Plan is based on a comprehensive needs assessment of the entire school that takes into account information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of those children who are failing, or are at-risk of failing, to meet the challenging State academic standards and any other factors as determined by the Local Educational Agency (LEA).

The Comprehensive Needs Assessment was completed in May 2022 based on spring survey feedback, STAAR achievement, TELPAS and universal screener results, attendance and behavior data compiled in April and May of 2022.

2. Campus Improvement Plan

2.1: Campus Improvement Plan developed with appropriate stakeholders

All eligible schools operating a schoolwide program shall develop a Campus Improvement Plan.

The CIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other school leaders, paraprofessionals present in the school, administrators (including administrators of programs described in other parts of this title), the local educational agency and, if appropriate, specialized instructional support personnel, technical assistance providers, school staff, if the plan relates to a secondary school, students, and other individuals determined by the school.

The Campus Improvement Plan was developed through the input and involvement of the following:

Community Members:

Fred Maldonado

Student Members:

Justin Howell, Sampson Aldridge, Yeslian Rodriguez
Teachers:

Jonathan Mickens, Alexis Lopez, Elizabeth Traylor, Courtney Mata, Stacy Howell, Amanda Walker
Administrators:

Billy Neal

Other District Personnel:

Sharon Lane, Jennifer Moreau, Jeannie Cannata

2.2: Regular monitoring and revision

The CIP remains in effect for the duration of the school's participation under this part, except that the plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the challenging State academic standards.

The Campus Improvement Plan is revised and evaluated in November, January, March, and June.

2.3: Available to parents and community in an understandable format and language

The CIP is available to the local educational agency, parents, and the public, and the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

The campus must indicate locations where the LEA made the CIP available. Examples: on campus, in Student Handbook, at Parent Meetings or other locations (specify "other").

The district and Title 1, Part A campuses will ensure regular, two-way, meaningful communication between family members and school staff, and to the extent practicable. in a language that family members can understand (websites, emails, letters).

The Campus Improvement Plan is made available to parents and the public through the campus website in English and other languages as practicable. The plan is also available through the district website in English, and a printed copy may be requested in the campus front office.

2.4: Opportunities for all children to meet State standards

1. Identify students who may be at risk for academic failure with ongoing assessments and data gathering.

2. Provide additional education assistance to individual students who need help in meeting the challenging State academic standards.

Through the Campus Needs Assessment, 65.9% of students were identified as at-risk based on one or more of the following criteria:

1. low performance on a readiness test or assessment instrument

2. semester failure of two or more academic subjects

3. grade retention

4. lack of satisfactory performance on state-mandated testing

5. pregnancy or parenthood

6. placement in an alternative education program

7. expulsion

8. parole, probation, deferred prosecution, or conditional release

9. drop out status

10. limited English proficiency

11. custody or care of the Department of Protective and Regulatory Services

12. homelessness

13. residing in detention, substance abuse treatment, emergency shelter, psychiatric, halfway house, or foster group home

Additional assistance will be provided to these students through specialized instructional support, mentoring, social-emotional learning programs, tiered interventions, and professional development for teachers to improve their effectiveness.

2.5: Increased learning time and well-rounded education

1. Identify and implement instructional and other strategies intended to strengthen academic programs and improve school conditions for student learning.

Student learning will be supported through research-based instructional strategies such as:

- Whole Child Initiative

- Conscious Discipline

- Workshop Model

- Sheltered Instruction

- Leveled Literacy Intervention

- Social Skills Training

Increased learning time is provided through pullout intervention programs and targeted tutorials.

2.6: Address needs of all students, particularly at-risk

1. Identify and provide services to at risk students, including homeless and teen parents that will support their enrollment, attendance, and success.

Student enrollment, attendance, and success will be supported through targeted support programs that address the specific needs of our at-risk student population, as well as schoolwide incentive programs, individual and class recognitions, two-way communication between the school and home, and parent and family engagement activities.

3. Annual Evaluation

3.1: Annually evaluate the schoolwide plan

Annually evaluate the schoolwide plan, using data from the State's assessments, other student performance data, and perception data to determine if the schoolwide program has been effective in addressing the major problem areas and, in turn, increasing student achievement, particularly for the lowest-achieving students. Schools must annually revise the plan, as necessary, based on student needs and the results of the evaluation to ensure continuous improvement. [ESEA section 1114(b)(3); 34 C.F.R. § 200.26(c)].

The Campus Needs Assessment (CNA) is completed each spring through a multi-stakeholder collaborative process using multiple sources of data to evaluate the effectiveness of programs and practices.

The CNA addresses:

1. Demographics

2. Perceptions

3. Student Learning

4. Processes and Programs

The findings of the CNA are used to inform the Campus Improvement Plan (CIP). Both the CNA and CIP are presented to the Site Based Committee for review and feedback at the end of the school year.

4. Parent and Family Engagement (PFE)

4.1: Develop and distribute Parent and Family Engagement Policy

Birdville ISD will implement the following Every Student Succeeds Act requirements:

1. Develop jointly with, agree on with, and distribute to parents of participating children the district's written parent involvement policy. The district will incorporate this policy into the district's plan. Title 1, Part A schools will also develop parent and family engagement policies. All policies will be made available to parents to improve the involvement in child's education and academic achievement.

2. Conduct with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy and its program in improving the academic quality of its Title 1, Part A schools, both at the district and campus level. The district will use the findings of such evaluation to design strategies for more effective parental involvement and to revise, if necessary, the parental involvement policies.

The campus must provide a list of the individuals and their roles who assisted with the development of Parent and Family Engagement Policy.

The campus must indicate how the Parent and Family Engagement Policy was distributed. Examples: on campus, in Student Handbook, at Parent Meetings or other locations (Specify "other").

The campus must indicate languages in which the Parent and Family Engagement Policy was distributed. Examples: English, Spanish, Vietnamese or other specify other language (Specify "other").

SAMPLE ANSWER

The Parent and Family Engagement Plan was developed through the input and involvement of the following:

Community Members:

Fred Maldonado

Student Members:

Justin Howell, Sampson Aldridge, Yeslian Rodriguez
Teachers:

Jonathan Mickens, Alexis Lopez, Elizabeth Traylor, Courtney Mata, Stacy Howell, Amanda Walker
Administrators:

Billy Neal
Other District Personnel:

Sharon Lane, Jennifer Moreau, Jeannie Cannata

4.2: Offer flexible number of parent involvement meetings

Birdville ISD will implement the following Every Student Succeeds Act requirements:

1. Conducting a meaningful consultation with parents of participating children to implement programs, activities, and procedures for the involvement of parents at all of its Title 1, Part A schools. An annual meeting for Title 1, Part A parents will be held each Title 1 campus. The district will provide training for schools on Title 1, Part A and best practices in conducting the Title 1, Part A Annual Meetings where parents are informed on how funds are used on their campus for parental involvement activities.

2. Support its Title 1, Part A schools to build the schools' and parents' capacity for active parental involvement and promoting parenting skils and family literacy to improve academic achievement. Capacity building activities and training (i.e. Literacy Night, Math and Science events, Homework Help) will be provided to parents to increase academic achievement through district-wide and campus efforts. The district will coordinate these efforts and strategies with other federal and state program in a variety of ways.

3. Birdville ISD is committed to working together with parents, students, the community and other stakeholders to improve student achievement. All school and district activities will promote and encourage parental involvement. Title 1, Part A schools will identify any barriers to greater participation by parents in activities of participating children with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background.

4. Ensure that all parent notifications and school reports will be in an understandable and uniform format and to the extent practicable, in a language that parents can understand.

Most campus family engagement activities are scheduled for Thursday evenings and Friday mornings in order to accommodate parents' work schedules (exceptions noted below). The following family engagement activities are planned for 2022-23:

- August Jumpstart Back to School Event (Tuesday, 08/15/2022 4:30-6:30) on campus

- August Title I Meeting (Tuesday, 08/15/2022, 5:30 - 6:30) on campus

- August Meet the Teacher Night (Thursday, 08/25/2022) on campus

- September Heritage Night (Monday, 09/26/2022) on campus

- September Title I Meeting (Monday, 09/26/2022) on campus

- November Literacy Event (Thursday/Friday) on campus
