School Processes & Programs

School Processes & Programs Summary

West Birdville students are served by a number of specialized programs related to student need. Eighty-five percent of students are served by the free/reduced price lunch program, and 70% of students are English language learners (ELLs), served by bilingual or English as a second language (ESL) programs. Currently, 10.56% of students are served through special education.

Our RtI program serves many students that are identified for intervention in reading and mathematics. We utilize data from the universal screeners and data from interventionists and teachers. We utilize resources provided by the district for this program. A portion of Title I funds are used to hire a highly-qualified tutor. We continue to have too many students identified at Tier 2 or Tier 3 in some grade levels. Our goal is to keep the intervention groups small and staffed appropriately so students can have the best opportunity to remediate gaps.

West Birdville has four self-contained classrooms. Starting in the pre-primary grades, we have 2 classes(ECSE) that serves students with various needs. These disabilities can include: physical, cognitive, and emotional. One of the ECSE classrooms is a half-day program and the other is a full-day program. The other two classrooms are called AABLE. These self-contained classrooms serve students with cognitive delays. These classrooms serve students in K-2 (AABLE I) and 3-5 (AABLE II).

School Processes & Programs Strengths

West Birdville has a campus scheduled time for Response to Intervention. During this time, all students receive interventions based on individual student needs. Special education students are served during our Response to Intervention block. We utilize all interventionist and teachers during this time, staff work together to create a plan to serve all student needs. West Birdville has the support of local churches who provide weekend food bags to sixty students weekly. West Birdville offers a digital one to one opportunity for all students. Students receive accelerated instruction tutoring during the school day and after the normal school day.

Perceptions

Perceptions Summary

Staff is surveyed each year with a district survey as well as a campus survey. Staff reported feeling safe while at school/work. Staff have the ability to fill out a survey each Friday attached to the principal page indicating where they are on self-care and what they need.

Perceptions Strengths

At West Birdville , we believe that all of our stakeholders should experience excellent customer service. We believe we should keep the community informed of school wide events and information. Grade levels send home weekly newsletters to parents informing parents/guardians of upcoming curriculum and events. Campus principal, Vanessa Sutton, and campus counselor, Karen Madrid, conduct weekly Facebook Live announcements each week on Tuesday at 11am. We deliver our various forms of communication in both English/Spanish. School performances are scheduled throughout the school year with our music program. We are constantly working to increase our active PTA members as this has been an area of focus. Parents are well informed of Title I program information. SRP drills are performed monthly and twice yearly with our SRO and local PD.
