

Birdville Independent School District
Richland Middle School
2023-2024 Campus Improvement Plan

Public Presentation Date: September 21, 2023

Mission Statement

Our mission is to cultivate a safe, nurturing environment, rich in opportunities for all stakeholders to recognize, foster, and meet their potential in our school, community, and beyond.

Vision

It's okay not to be okay, it's not okay to stay that way. Going from Good to Great!

Comprehensive Needs Assessment

Demographics

Demographics Summary

The number of renters as opposed to homeowners in our Richland Middle School attendance zone accounts for much of our mobility. Many of the students have gaps in their schooling associated with moving and it is difficult to assess quickly the academic capabilities of these students.

In addition to the mobility rate, we have a large population of Economically Disadvantaged and at Risk students who come to us with educational gaps. Approximately 25% of the students on campus are designated Special Education and/or 504. Over 30% limited English proficient students. With the increase in our limited English proficient students Richland Middle School will utilize resources to prepare and accommodate students to ensure we are providing the best education for them, both socially and academically.

Student Population 2023 (CY=Current Year/PY=Previous Year)

- Grade 6: CY - 237; PY - 239; Change: -2
- Grade 7: CY - 224; PY - 211; Change: +13
- Grade 8: CY - 219; PY - 231; Change: -12
- Total Student Population Change: +1 students

Ethnic Distribution

- African American: CY - 20.8%; PY - 20.95%; Change: -0.15%
- Hispanic: CY - 48.8%; PY - 49.85%; Change: -1.05%
- White: CY - 24.8%; PY - 22.48%; Change: + 2.32%

Economically Disadvantaged: CY - 78.5%; PY - 78.59%; Change: -0.09%

Emergent Bilingual (EB): CY - 30.22%; PY - 27.4%; Change: +2.82%

At-Risk: CY - 68.89%; PY - 65.90%; Change: +2.99%

Mobility rate was 30.2%

Demographics Strengths

We had increases demographically in the English proficient students. The district has provided support in personnel to meet these needs. The campus has also realigned the use of its core personnel trained in SIOP (Sheltered Instruction) to meet core departments with techniques when working with EB students in the classroom. This will be an ongoing process to work with the RMS core teachers to provide training and support. We will be strategic in utilizing PLC (Professional Learning Communities) time to provide continuing SIOP training for staff at RMS. In the 2024 school year RMS will also begin a push in model in which our campus EB (Emergent Bilingual) Specialist will provide in class support to teachers and students.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Filling the academic gaps of children could pose a challenge in the on-level classrooms. RMS had an increase in its Mobility Rate, At-Risk, and Emergent Bilingual populations during the 2023 school year. These are all areas of need for improvement. **Root Cause:** With approximately 30% of the RMS population as mobile, we are combining a variety of learning styles and teaching methods into each classroom. This poses opportunities for our teachers to find ways to meet those children where they are and assist them in closing educational gaps due to Mobility.

Student Learning

Student Learning Summary

Richland Middle School showed gains in several areas in 2023. Both 6th and 7th grade honors math reached 100% approaches. Our 8th grade Algebra was able to obtain 100% approaches, 100% meets, and 98% masters. Our reading continued to improve with 6th grade honors achieving 96% approaches, 7th grade honors 98% approaches and 8th grade honors at 99% approaches. While 8th grade social studies has been an area of concern, scores showed growth again in 2023 honors with results of 85% approaches, 48% meets, 42% masters.

The English Language Proficiency Status target measure set by the state for the TELPAS progress measure is 36%. In 2020-2021 Richland MS School did not meet the target with a TELPAS progress rate of 23%. In 2021-2022 Richland MS School again did not meet the target with a TELPAS progress rate of 28%. In comparing the progress rate from 2021 and 2022, Richland MS demonstrated a 5% point increase in students' English language development.

Student Learning Strengths

RMS experienced tremendous gains during the 2022/2023 school year overall in honors mathematics and reading. Both 6th and 7th grade honors math reached 100% approaches. Our 8th grade Algebra was able to obtain 100% approaches, 100% meets, and 98% masters. Our reading continued to improve with 6th grade honors achieving 96% approaches, 7th grade honors 98% approaches and 8th grade honors at 99% approaches. While 8th grade social studies has been an area of concern, scores showed growth again in 2023 honors with results of 85% approaches, 48% meets, 42% masters.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): There are still several areas below a 50% Approaches Grade Level Pass Rate in our EB populations. Also in our white population we failed to meet our Target for the meets category in both Reading and Math. This is an ongoing concern that will be measured in the 2024 school year. **Root Cause:** Our EB population accounts for approximately 30% of our population and our teachers are still not proficient in sheltered instruction strategies and many of the teachers have only had partial training in sheltered instruction.

Problem Statement 2 (Prioritized): There are still several areas below a 50% Approaches Grade Level Pass Rate in our Identified populations. This is an ongoing concern that will be measured in the 2024 school year. **Root Cause:** Due to a lack of cohesive vision of data driven instruction, students did not receive the best opportunities afforded them.

School Processes & Programs

School Processes & Programs Summary

This year there was turnover in the teaching staff. This in large part is due to teachers changing professions and grade levels of teaching. Mentor teachers are assigned to everyone who is new to RMS. This year we are having numerous people present to the faculty their Best Products. We are celebrating successes with individualized recognition in staff meetings. Teachers are expected to serve on at least one committee so that everyone has a positive say in the RMS way.

We also house the ACCESS and AABLE student units on our campus. ACCESS deals with student who are severely handicapped mentally, emotionally and physically. Although many of our children are mobile this year, they do have different mobility issues. AABLE houses our children who would fall in the upper Life Skills category. Some of them have out classes while others are totally self contained.

School Processes & Programs Strengths

The teachers are committed to the Houses evolving into a true success story. The House Committee is planned an amazing first community day for our students. It involves team building, school spirit, one word activities to describe themselves and even a pep rally. Kids seem to be anxious about earning points for their houses so that they win the nine weeks prize. RMS will be working with local businesses to try and secure support to help with this initiative and provide additional school resources.

The teachers also had their own form of team building during staff development. Teachers were partnered in groups to create and design products that represented the RMS community. This helped to bond them even further so that the start of the school year was seamless and to understand the students/community we serve.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Although there have been amazing events during the 2023 school year, RMS' ability to obtain consistent stakeholder involvement is an on-going challenge. **Root Cause:** Due to our large At-Risk population, the availability of parents to show up and attend our events is limited.

Perceptions

Perceptions Summary

The way the faculty likes to describe themselves is that they are like family and have pulled together through several principals and varying staff personalities. They are proud to be at RAM Nation and want the students, school and community to thrive. They also want to change the perception that they are the most difficult school in BISD. They are willing to follow leaders to the point of clarifications as long as the end goal is understood. Most teachers have attended several meetings prior to the start of school to ensure that everything ran smoothly.

Perceptions Strengths

There is a strong sense of trust on this campus between most teachers and the administration. This was evident in that staff turn over was at it's lowest in three years. Teachers also have full buy-in with lessons in leadership. RMS has been able to bridge the social emotional gaps, bring about mental health awareness, and overall security of our students. Finally, their sphere of influence on how things work at RMS seems to be in an equal balance.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Community and student involvement is low. This is an ongoing concern that will be measured in the 2024 school year. **Root Cause:** Events were developed and executed early in the 2023. Intentionality of including parents in a timely manner was a concern.

Priority Problem Statements

Problem Statement 1: Filling the academic gaps of children could pose a challenge in the on-level classrooms. RMS had an increase in its Mobility Rate, At-Risk, and Emergent Bilingual populations during the 2023 school year. These are all areas of need for improvement.

Root Cause 1: With approximately 30% of the RMS population as mobile, we are combining a variety of learning styles and teaching methods into each classroom. Performance Objective 2 Problem Statements:

Demographics
Problem Statement 1: Filling the academic gaps of children could pose a challenge in the on-level classrooms. RMS had an increase in its Mobility Rate, At-Risk, and Emergent Bilingual populations during the 2023 school year. These are all areas of need for improvement. Root Cause: With approximately 30% of the RMS population as mobile, we are combining a variety of learning styles and teaching methods into each classroom. This poses opportunities for our teachers to find ways to meet those children where they are and assist them in closing educational gaps due to Mobility.
Student Learning
Problem Statement 2: There are still several areas below a 50% Approaches Grade Level Pass Rate in our Identified populations. This is an ongoing concern that will be measured in the 2024 school year. Root Cause: Due to a lack of cohesive vision of data driven instruction, students did not receive the best opportunities afforded them.
School Processes & Programs
Problem Statement 1: Although there have been amazing events during the 2023 school year, RMS' ability to obtain consistent stakeholder involvement is an on-going challenge. Root Cause: Due to our large At-Risk population, the availability of parents to show up and attend our events is limited.
Perceptions
Problem Statement 1: Community and student involvement is low. This is an ongoing concern that will be measured in the 2024 school year. Root Cause: Events were developed and executed early in the 2023. Intentionality of including parents in a timely manner was a concern.

Goal 1: Students will achieve their full potential through a system that is responsive to the academic, social, and emotional needs of the student.

Performance Objective 3: Students will display dispositions indicative of high levels of social-emotional development as measured by a district-administered survey of student perceptions. This is an ongoing concern that will be measured in the 2024 school year.

High Priority

Evaluation Data Sources: The House leaders will notify administration anytime that teachers are not participating in the RMS House Point System. Those individuals will have private conversations to encourage them to participate in this activity. This will be evaluated on a bi-weekly basis by administration and the Leadership Committee. Students will have a stronger sense of belonging to RMS which will be measured by a reduction in discipline slips and suicide attempts. Administration will do weekly walks to ensure that the Character Strong Curriculum is utilized with fidelity.

Strategy 1 Details	Reviews			
Strategy 1: Distribute weekly points to Houses from individual classrooms that promote high quality instruction and interaction among peers and between students and adults. Actions: 1.) Teachers will award up to 200 points per week between the different Houses based on specific learning and behavioral successes (PBIS) 2.) Teachers will upload points using a Google Form and campus implementation team will review points for consistency and timely reporting. 3.) House Committee will post points weekly for students to see and support communities as necessary. Title I

1.1: Comprehensive Needs Assessment

The Title I, Part A Campus Improvement Plan is based on a comprehensive needs assessment of the entire school that takes into account information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of those children who are failing, or are at-risk of failing, to meet the challenging State academic standards and any other factors as determined by the Local Educational Agency (LEA).

The Comprehensive Needs Assessment was completed in May 2022 based on spring survey feedback, STAAR achievement, TELPAS and universal screener results, attendance and behavior data compiled in April and May of 2022.

2.1: Campus Improvement Plan developed with appropriate stakeholders

All eligible schools operating a schoolwide program shall develop a Campus Improvement Plan.

The CIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other school leaders, paraprofessionals present in the school, administrators (including administrators of programs described in other parts of this title), the local educational agency and, if appropriate, specialized instructional support personnel, technical assistance providers, school staff, if the plan relates to a secondary school, students, and other individuals determined by the school.

The Campus Improvement Plan was developed through the input and involvement of the following:

Community Members:
Fred Maldonado
Student Members:
Justin Howell, Sampson Aldridge, Yeslian Rodriguez
Teachers:
Jonathan Mickens, Alexis Lopez, Elizabeth Traylor, Courtney Mata, Stacy Howell, Amanda Walker
Administrators:
Billy Neal
Other District Personnel:
Sharon Lane, Jennifer Moreau, Jeannie Cannata

2.2: Regular monitoring and revision

The CIP remains in effect for the duration of the school's participation under this part, except that the plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the challenging State academic standards.

The Campus Improvement Plan is revised and evaluated in November, January, March, and June.

2.3: Available to parents and community in an understandable format and language

The CIP is available to the local educational agency, parents, and the public, and the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

The campus must indicate locations where the LEA made the CIP available. Examples: on campus, in Student Handbook, at Parent Meetings or other locations (specify "other").

The district and Title 1, Part A campuses will ensure regular, two-way, meaningful communication between family members and school staff, and to the extent practicable, in a language that family members can understand (websites, emails, letters).

The Campus Improvement Plan is made available to parents and the public through the campus website in English and other languages as practicable. The plan is also available through the district website in English, and a printed copy may be requested in the campus front office.

2.4: Opportunities for all children to meet State standards

1. Identify students who may be at risk for academic failure with ongoing assessments and data gathering.
2. Provide additional education assistance to individual students who need help in meeting the challenging State academic standards.

Through the Campus Needs Assessment, 65.9% of students were identified as at-risk based on one or more of the following criteria:

1. low performance on a readiness test or assessment instrument
2. semester failure of two or more academic subjects
3. grade retention
4. lack of satisfactory performance on state-mandated testing

5. pregnancy or parenthood
6. placement in an alternative education program
7. expulsion
8. parole, probation, deferred prosecution, or conditional release
9. drop out status
10. limited English proficiency
11. custody or care of the Department of Protective and Regulatory Services
12. homelessness
13. residing in detention, substance abuse treatment, emergency shelter, psychiatric, halfway house, or foster group home

Additional assistance will be provided to these students through specialized instructional support, mentoring, social-emotional learning programs, tiered interventions, and professional development for teachers to improve their effectiveness.

2.5: Increased learning time and well-rounded education

1. Identify and implement instructional and other strategies intended to strengthen academic programs and improve school conditions for student learning.

Student learning will be supported through research-based instructional strategies such as:

- Whole Child Initiative
- Conscious Discipline
- Workshop Model
- Sheltered Instruction
- Leveled Literacy Intervention
- Social Skills Training

Increased learning time is provided through pullout intervention programs and targeted tutorials.

2.6: Address needs of all students, particularly at-risk

1. Identify and provide services to at risk students, including homeless and teen parents that will support their enrollment, attendance, and success.

Student enrollment, attendance, and success will be supported through targeted support programs that address the specific needs of our at-risk student population, as well as schoolwide incentive programs, individual and class recognitions, two-way communication between the school and home, and parent and family engagement activities.

3.1: Annually evaluate the schoolwide plan

Annually evaluate the schoolwide plan, using data from the State's assessments, other student performance data, and perception data to determine if the schoolwide program has been effective in addressing the major problem areas and, in turn, increasing student achievement, particularly for the lowest-achieving students. Schools must annually revise the plan, as necessary, based on student needs and the results of the evaluation to ensure continuous improvement. [ESEA section 1114(b)(3); 34 C.F.R. § 200.26(c)].

The Campus Needs Assessment (CNA) is completed each spring through a multi-stakeholder collaborative process using multiple sources of data to evaluate the effectiveness of programs and practices.

The CNA addresses:

1. Demographics
2. Perceptions
3. Student Learning
4. Processes and Programs

The findings of the CNA are used to inform the Campus Improvement Plan (CIP). Both the CNA and CIP are presented to the Site Based Committee for review and feedback at the end of the school year.

4.1: Develop and distribute Parent and Family Engagement Policy

Birdville ISD will implement the following Every Student Succeeds Act requirements:

1. Develop jointly with, agree on with, and distribute to parents of participating children the district's written parent involvement policy. The district will incorporate this policy into the district's plan. Title 1, Part A schools will also develop parent and family engagement policies. All policies will be made available to parents to improve the involvement in child's education and academic achievement.

2. Conduct with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy and its program in improving the academic quality of its Title 1, Part A schools, both at the district and campus level. The district will use the findings of such evaluation to design strategies for more effective parental involvement and to revise, if necessary, the parental involvement policies.

The campus must provide a list of the individuals and their roles who assisted with the development of Parent and Family Engagement Policy.

The campus must indicate how the Parent and Family Engagement Policy was distributed. Examples: on campus, in Student Handbook, at Parent Meetings or other locations (Specify “other”).

The campus must indicate languages in which the Parent and Family Engagement Policy was distributed. Examples: English, Spanish, Vietnamese or other specify other language (Specify “other”).

SAMPLE ANSWER

The Parent and Family Engagement Plan was developed through the input and involvement of the following:

Community Members:
Fred Maldonado
Student Members:
Justin Howell, Sampson Aldridge, Yeslian Rodriguez
Teachers:
Jonathan Mickens, Alexis Lopez, Elizabeth Traylor, Courtney Mata, Stacy Howell, Amanda Walker
Administrators:
Billy Neal
Other District Personnel:
Sharon Lane, Jennifer Moreau, Jeannie Cannata

The Parent and Family Engagement Plan is made available to parents and the public through the campus website in English and other languages as practicable. A printed copy is provided during the fall Title I meeting, and by request in the campus front office.

4.2: Offer flexible number of parent involvement meetings

Birdville ISD will implement the following Every Student Succeeds Act requirements:

1. Conducting a meaningful consultation with parents of participating children to implement programs, activities, and procedures for the involvement of parents at all of its Title 1, Part A schools. An annual meeting for Title 1, Part A parents will be held each Title 1 campus. The district will provide training for schools on Title 1, Part A and best practices in conducting the Title 1, Part A Annual Meetings where parents are informed on how funds are used on their campus for parental involvement activities.

2. Support its Title 1, Part A schools to build the schools' and parents' capacity for active parental involvement and promoting parenting skills and family literacy to improve academic achievement. Capacity building activities and training (i.e. Literacy Night, Math and Science events, Homework Help) will be provided to parents to increase academic achievement through district-wide and campus efforts. The district will coordinate these efforts and strategies with other federal and state program in a variety of ways.
3. Birdville ISD is committed to working together with parents, students, the community and other stakeholders to improve student achievement. All school and district activities will promote and encourage parental involvement. Title 1, Part A schools will identify any barriers to greater participation by parents in activities of participating children with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background.
4. Ensure that all parent notifications and school reports will be in an understandable and uniform format and to the extent practicable, in a language that parents can understand.

Most campus family engagement activities are scheduled for Thursday evenings and Friday mornings in order to accommodate parents' work schedules (exceptions noted below). The following family engagement activities are planned for 2022-23:

- August Jumpstart Back to School Event (Tuesday, 08/15/2022 4:30-6:30) on campus
- August Title I Meeting (Tuesday, 08/15/2022, 5:30 - 6:30) on campus
