## Birdville ISD OH Stowe Elementary ASPIRE

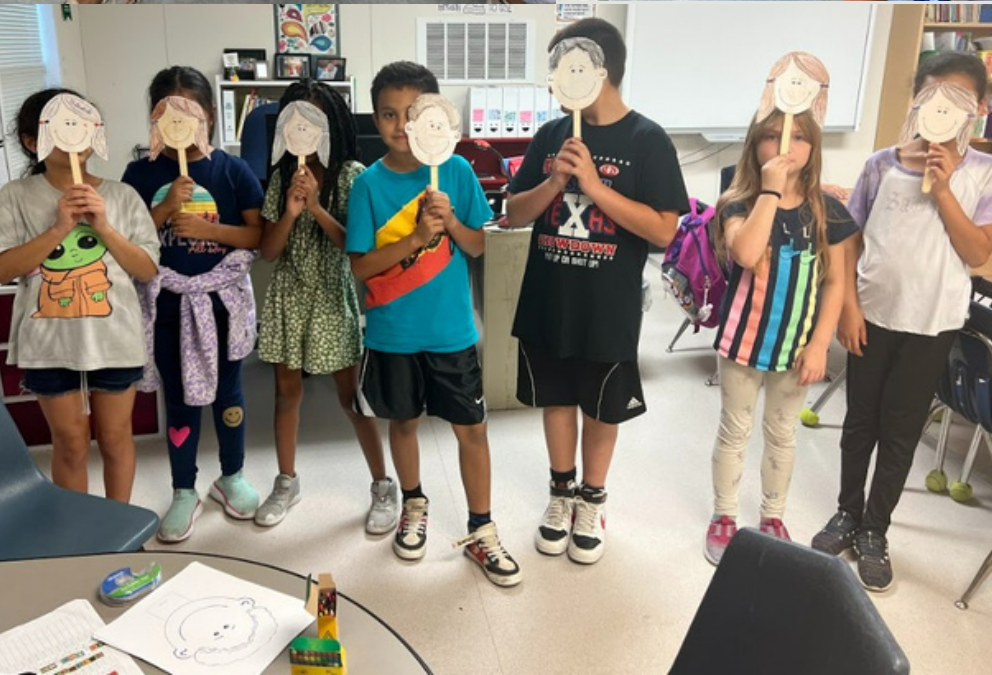

On Thursday, November 3, 2022, ASPIRE hosted a Harvest Celebration for students at OH Stowe Elementary in collaboration with the Texas A & M AgriLife Extension 4H program. At the beginning of the year, we began working with 4H to create a gardening club. During the event, students were given the opportunity to share what they planted in the garden and the nutrition projects they were able to be a part of and learn from. Volunteers were thanked for their time, and were presented with cards that the students made for them. Students were presented with certificates and a gift from 4H. Distinguished guests in attendance included Birdville ISD Board of Trustees Vice President Richard Davis, BISD Board of Trustees member Ralph Kunkel, Mayor of Haltom City An Minh Truong, and Lin Thompson from the Mayor Pro-Team (CCPD and Fire Board). Attendees were also presented with the opportunity to explore the growing garden.
