

## Field Day Needs You to Volunteer!

Your kids need you! Friday April 28th is our Field Day. We are asking for adults to work the events this year so that our kids can bond as a class, participate in an all day field day and have some friendly competition. We will take moms, dads, aunts, uncles, grandparents or any friend of the family 18 or older. **We realize that you want to watch your child on this day, but without adult volunteers there will be no events to watch.** We are looking for 50-60 adults to help us out.

Hopefully we will get enough volunteers so that you can take turns going and watching your child. That is our goal! **You will have one station that you will be in charge of and you will receive directions ahead of time.** If you are willing please fill out the form below and turn in ASAP! **You must be a BISD approved volunteer. If you are not one yet, go to [birdvilleschools.net](http://birdvilleschools.net) and click on volunteer application on the left side of page.** Thank you so much ahead of time for making your child's field day a success!

- Yes I will work all day! (8:30-11:00 and 1:00 to 2:45)
- Yes I will work morning only! ( 8:30-11:00)
- Yes I will work afternoon only! (1:00-2:45)
- Yes I will work half day either morning or afternoon where you need me.
