

Families that wish to order the senior class photo online can do it at:

<https://squareup.com/store/inspired-imaging/item/senior-class-picture?t=modal-em>

You can choose between the traditional pose, fun pose, and both pictures in the options box.

Inspired Imaging will print your photo(s) and have them available for pickup at graduation. Any photos not picked up at graduation will be delivered to the HHS office. Inspired Imaging will also have extras for sale at graduation, but ordering online will guarantee that one has your name on it.

If you have any trouble with the link above, you can also go to:
